Memorial Fountain Ok'd By GC Park Board

$12,000 Project In Memorial Park To Be Completed By Spring

A springtime completion date is charted for Granite City's Memorial fountain, commemorating the hero dead of world war II.

The Granite City park district board acted favorably at a special meeting Monday on the $12,000 offer of the Granite City War Memorial committee for the color-illuminated Memorial fountain at the parksite opposite St. Elizabeth Hospital.

The site, appropriately known as Memorial park, will be landscaped, new walks and an arbor added and shrubs and trees planted. The location is the triangular parksite, bounded by Madison and Niedringhaus avenues and 21st street.

Jerry Loman, president of the park district board, said he expects the fountain "to be up by spring."

He added that if agreeable to the donors, the park district will handle details of contract bidding and general supervision of construction.

Facilities Available

Cost of the fountain and necessary water and sewer connections, he believed, will be covered by the $12,000 gift of the War Memorial group. Loman pointed out that expense of connections with water and sewer mains will be nominal, since such facilities are now within 20 to 40 feet of the proposed central-parksite location of the fountain.

At its meeting Monday night, the park board accepted the tender of funds to build the memorial to the war dead. The offer was made last week by the War Memorial committee, an organization whose activities date back to 1946.

The fountain, which will be illuminated at night by a bank of colored lights, will have a 16-foot spray, Operation would be automatic. Loman said today he expected the fountain would operate during the daylight hours and nightly up until about 10 p.m.

Community Attraction

"Not only will it be a showpiece, and add materially to the attractiveness and aesthetic value of Granite City, but its location opposite the hospital should prove refreshing and perhaps healing to the patients."

Loman said the park officers accepted the offer with deep gratitude and will accede in all possible ways to the donor committee's requests.

The War Memorial group has suggested that pathways leading from parksite corners to the fountain be installed, and that shrubs, trees and benches be put in place.

Memorial Plaque

A memorial plaque, honoring Granite City's war dead is to be affixed to the fountain and an attractive chain fence will circle the basin. The fountain, according to present plans, would be 25 feet in diameter, with 10 concealed colored, revolving lights providing five color arrangements.

Designing of the Memorial fountain is in the hands of Gabriel and Dulgeroff, architects.

The War Memorial fund now at around $12,000, it was recalled

2 Party Caucuses Friday To Name JP District Candidates

Public attendance is being urged for the caucuses set Friday by the Democratic and Republican parties to select justice of the peace and constable candidates for Madison county District One election on April 4.

The Democratic caucus starts at 8 p.m. in the Venice-Madison American Legion Post 307 Dugout on Broadway, Venice, while the Republican caucus will be held at 7 p.m. in the city court room on the third floor of the city hall building in Granite City.

A justice of the peace and a constable are to be elected April 4 for the newly-created District One, which includes all of Granite City, Venice and Nameoki townships and Precinct One of Chouteau township.

At the present time, there are five justices of the peace and five constables in each local township.

2 Hurt Today When Wheel Flies Off Auto

Traffic accidents injured six persons in and near the Quad-Cities area this week including two Glen Carbon residents who were hurt in a freak one-car mishap early this morning.

Two persons were hurt about 7:30 a.m. today when a wheel flew off their car, causing the auto to veer off the road and roll down a shallow embankment on Highway 162 near Peter Station, state troopers said.

Injured were Adam Belshaw, of Glen Carbon, driver of the auto, who was taken to St. Elizabeth's hospital and admitted for treatment of cuts and bruises on his face and body, and a passenger, Mrs. Catherine Johnson, also of Glen Carbon, who received treatment for a finger laceration at a local doctor's office.

Troopers said the auto was traveling west when the right front wheel became loose. They said the car rolled over once and landed in an upright position in a ditch.

Car Damages House

A St. Louis woman, Arsenia Love, 29, was taken by ambulance to St. Elizabeth Hospital for treatment of injuries suffered at 5:40 a.m. Wednesday when her car ran into and damaged a house occupied by Arsabella Watson at 700 Bissell street, West Madison.

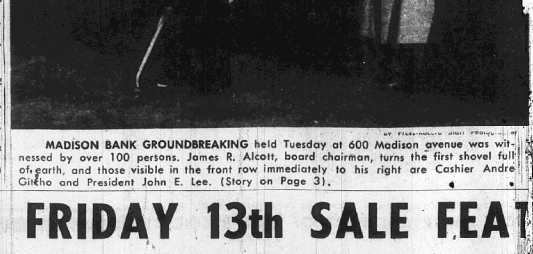

The dwelling, owned by Ernest Robinson, 111 West Second street, was moved about six inches by the impact, police said. The driver said she lost control of her auto while making a U-turn on Bissell street.

A small boy, four-year-old Gregory Stafford, suffered cuts to his upper lip yesterday after-

Coolidge Retires As President of Library Board

Walter F. Coolidge, who retired Tuesday as president of the board of trustees of the Granite City public library, was honored at a dinner Tuesday night at the library auditorium. His successor will be elected at a later date.

Coolidge has been president of the board for the past nine years. He is a former school district principal, and Coolidge junior high school was named in his honor.

At the dinner, he was presented a certificate entitling him to receive a book not yet published, "Looking Over the President's Shoulders," which deals with the lives of former U. S. presidents.

Attending the dinner were board members and wives and husbands; members of the library staff, and guests, Mayor and Mrs. Leonard Davis.

Board members include Mrs. Henry Luecders. Mrs. Amos Rode, Coolidge. Rev. Fr. J. P. Jordan, City Judge Fred P. Schuman, Alderwoman Gabriel Betinec, Gerald Walters and George Filcoff.

Staff members include Mrs. Hugo Schroeder, Mrs. Wella Mawdsley, Mrs. Louise Hendrick, Mrs. Mabelle Minnick, Mrs. Mary Gene Knufinke, Charles McCollum and Charles Johnson and James Shillato.

Ticket Files For 8 Venice Township Offices In April

A full ticket for the eight Venice township offices to be filled in April 4 balloting was filed with Town Clerk Thomas W. Foley Monday, the opening day of the filing period.

Under a Labor Party heading, the petitions include those of four incumbent township officials, Supervisor Arthur W. "Cooper" Moore of Madison, Collector Frank Reidelberger jr. of Venice, Assessor Joseph W. Bergrath of Madison and Clerk Foley of Venice. All are seeking new four-year terms.

Jay D. Maurer of Venice filed for the assistant supervisor position to be filled this spring. The term expiring is that of Walter O. Cook, who has moved from Venice to Madison.

The two assistant supervisor posts traditionally have been held by residents of both cities in the township, and the other assistant supervisor is Claude Echols of Madison.

Town Auditor Candidates

The other three candidates, for the new positions of town auditors, are Lawrence J. Puent of Venice, Stanley J. Krakowiecki of Madison and Albert V. Topal of Madison.

Under the new state law eliminating five justice of the peace and five constable posts within the township, the town board will be composed of the supervisor, three auditors and the town clerk after the election.

Topal is a constable and Krakowiecki a justice of the peace at present. Puent and Maurer do not hold township offices currently.

Nine With Terms Ending

Those with terms expiring besides Cook include justices of the peace, William M. Boerckel, Philip S. Androve, Lloyd W. Blumenstock and Sam Chomicki and constables, Stephen Lopez, William Price, Fred Trebing and Albert F. Kowal.

There has been no opposition in recent years for groups of Venice township candidates supported by the Madison and Venice city political organizations. No other petitions have been obtained from Foley this year.

The filing period runs to Monday, Feb. 13. Petitions of candidacy may be filed at the town-ship office, 1502 Fifth street, Madison, during regular hours or with Foley at his home.

State Urges Building Of More GC Schools

Enrollment Viewed As Major Problem; Cite 'Amazing Progress'

State inspectors have agreed with the Granite City school board and administrative staff that the district's most pressing problem is further expansion of school facilities, Supt. Harold M. Kaiser reported to the board Tuesday night.

A detailed report from representatives of the state superintendent's office concludes that the local system has been "progressing with amazing speed" with the aid of "dynamic professional leadership, an understanding and effective board of education and a able and dedicated staff."

Discussing the rising enrollment, Mrs. Lorene Wills, general supervisor of the supervision department's southern division notes modernization of basement rooms and other efforts to provide more space, but says that more will be needed.

"Utilization of coatrooms in a house one or more school services during the school day is evidence of the seriousness of the housing problem. Oversized classes in some rooms, storage of seats and desks in some class rooms and the cafeteria moved into the gymnasium are further indications of the need for more and better building facilities."

Suggests Bond Election

"As soon as is feasible, the community should be given the opportunity to vote in additional bonds for new buildings," Mrs. Wills urges.

"The Granite City district is located in the heart of an industrial community where intensive growth in population has placed great strain upon re-

Family Of 8 Overcome By Fumes, Rescued

Gas Fills Apartment As Frank Clark Family Sleeps Early Yesterday

A neighbor family and good luck were credited with sdving the lives of eight members of a sleeping family overcome by fumes from a refrigerator at their apartment, 53 Grenzer Homes, Madison, yesterday morning.

Several in the family of Mr. and Mrs. Frank Clark were partially awake when the gas became most dense, aiding them in learning of the danger. And the rescue efforts of Mrs. Dorothy Avants, 34 Grenzer, and her daughter, Nancy, 14, proved invaluable in removing the drowsy youngsters from upstairs bedrooms in the housing project apartment.

Several of the family were rendered unconscious by the fumes and all were made ill. The eight and Nancy Avants, overcome during the rescue, required treatment at St. Elizabeth Hospital. Clark, 34, an Engineer Depot employee, and the oldest child, Sharon, 14, were admitted for further treatment of excessive inhalation.

Those released during the morning were Clark's wife, Eloise, 31, and their children, Terry, 13, Steve, 12, Kenneth, four, Jeffrey, three, and Michael, one year old.

Noticed During Evening

"We had smelled something during the evening, but thought it was the furnace," Mrs. Clark told the Press-Record. "Jeffrey woke me about 5:30 and said he had a headache, and I had a headache, too. We opened some of the windows and turned the furnace off, and then went back to bed.

"We woke up again about 6:30 and all were sick with headaches and upset stomachs. Sharon called the doctor, and an ambulance came for us," she related.

Mrs. Avants recalled that the fumes were especially heavy on the second floor, making it difficult to arouse some of the pajama-clad children and move them to her adjacent apartment to await aid. Several were dazed and stumbled while being led to the ambulance, she said.

No Signs Of Leak

A preliminary investigation showed no evidence of a gas leak, and it is believed that the heat from the gas refrigerator's burner may have caused piping, causing chemical fumes, possibly sulphur, to develop and spread through the apartment.

Sanitar refrigeration units are used throughout the housing project, and housing officials said it was the first incident of its type.

A 24-hour service is maintained to check the apartments when odors are detected and reported, Dute Braner, Madison County Housing Authority executive director, said.

Large Supply of Tools Stolen Last Night At B&E Mill

Tools valued at several hundred dollars were taken by a burglar last night at the B and E Planing Mill and Supply Co., 1228 State street, Madison, it was discovered this morning. Entrance to a storage area was gained by breaking double windows in a door.

Electric screw drivers, drills, sanders and saws used by the planing mill staff were taken, and an exact estimate of the loss has not yet been made. No money was taken.

Burglars Overstep Bounds

Burglars went one step too far when they looted Hawk's Market, Old Alton road, Mitchell, on Tuesday night and may face federal charges if caught.

The hungry thieves not only helped themselves to 20 pounds of assorted lunch meats, five pounds of cheese and five boxes of candy bars, but went into the post office department of the market to steal 75 cents.

The sheriff's office has notified federal postal authorities of the theft of post office funds.

Also taken were six cartons of cigarets and one carton of chewing gum. Entrance was gained between 11:30 p.m. Tuesday and 8:30 a.m. Wednesday by prying open the front door.

2 Stolen Cars Recovered

Two autos stolen Tuesday night and early Wednesday morning in Granite City have been recovered. The theft reports were received within two hours after police were notified Tuesday night that two men in a green and white auto were touring the vicinity of Atlantic

$430,000 Federal Loan For Mitchell Water District

Official notification is expected today by the Mitchell Public Water District of a $430,000 loan by the Community Facilities Administration in Washington, D. C.

The federal loan is to be used to construct a public water system to serve about 2000 families residing in the unincorporated Mitchell area. Lee Paul is chairman of the district's board of trustees.

The district's attorney, William L. Beatty, said today the district has not yet been officially notified of the approval of the district's application for federal funds.

"We should get it on the mail sometime today, and then we'll qualify, pointing out the district cannot finance the project privately at a reasonable interest rate," the attorney said.

He explained it would be necessary for a number of potential patrons to indicate in advance that they will use the service and pay a deposit. The same procedure was followed in setting up the Pontoon Beach Water District which began functioning last year, buying water from the East St. Louis & Interurban Water Co.

Beatty said the Mitchell district would serve Mitchell proper, Paradise Acres north of U. S. Highway 66, the vicinity of U. S. Highways 66 and 67a and the area south including Greater Granite Heights and homes in the vicinity of Miracle Manor.

Clemency Plea Under Study

Hodge Repentant, Friends Testify; Board Change Due

(Special from Springfield)

With terms of three of five Illinois Parole and Pardon Board members ending next Wednesday, there is uncertainty whether the present or future board will act upon Orville E. Hodge's clemency plea, the Press-Record learned today.

In completing a hearing Tuesday on the former state auditor's petition for commutation of a 12-to-15-year embezzlement prison term. Chairman Charles F. Kinney said it would be taken under advisement, with a decision likely within a month. He and Joseph Carpentier are the only board members expected to remain in office.

Kinney said the board could reject the petition, reduce the sentence to five-to-15 years or recommend that the governor pardon him.

Questioned at a press conference on the day of his inauguration Monday, Gov. Otto Kerner said "I don't know" whether Hodge should be released. Referring to his experience as Cook county judge, Kerner said he reserves any decision "until I know the facts."

Robert G. Heckenkamp of Springfield, who represented Hodge with the aid of two other attorneys, Randall Robertson of Granite City and William F. Fuiten of Springfield, told the board that Hodge has fulfilled the three reasons for imprisonment — punishment, rehabilitation and serving as a deterrent to others. Robertson said the punishment would serve

Boy, 15, Admits 4 Burglaries At 2 Gas Stations

A young, teenage Granite City boy is in the custody of county juvenile authorities awaiting action by the juvenile division of the county court after admitting to Granite City police Monday that he had staged four service station burglaries—three at Brandings' station, Niedringhaus avenue and railroad tracks —and a break-in attempt.

The 15-year-old youth implicated two other boys in several of the break-ins and they also have been taken into custody. The other boys' cases were referred to the local Coordinated Youth Services office.

In one of the break-ins at Brandings's station, the boy was spotted by a downtown night watchman, who found a window broken at the station last May 20 and fired a warning shot in the air as the boy disappeared in the darkness.

Loots Cash Register

Upon discovering the broken window, the watchman went to a nearby tavern to telephone police, and the boy ran out as he was returning to the station building. The loot in that break-

Mattress Set Afire In Vacant House

A fire which might have caused thousands of dollars damage was discovered about 12:20 a.m. Tuesday in an unoccupied house at 2423 Terminal avenue. Police list the incident as vandalism and believe youngsters had broken into the house and set fire to a small mattress while smoking.

The fire was discovered by Ray Chapman, who had rented the house and was planning to move into it today. He went there from work and upon opening the front door, smelled smoke.

He found the smouldering mattress in a front bedroom, and there was no need to summon the fire department. Police said the mattress was badly damaged and there also was fire damage to the floor and a wall in the room. Chapman explained he was working inside the empty house and had taken the mattress to use in case he wanted to nap.

Entrance was gained through the rear door, which was either opened with a master key or had been left unlocked. There were mud tracks on the floor.

The investigating officers said a bathroom mirror was broken, both the front and rear screen doors were damaged and a kitchen window had been smashed.

Chapman said nothing was taken from the house.

Madison Council Moves To Make 6 Streets Arterial

The Madison city council Tuesday night approved a resolution calling for designation of six more thoroughfares as arterial streets.

Copies of the resolution were sent to the state highway division for approval. If approved, the streets would be maintained from motor fuel tax funds, instead of from the city's other funds.

Streets included in the resolution are McCambridge avenue from Edwardsville road to 14th street, and McCambridge from Collinsville avenue to Market street; Alton avenue from Collinsville to Second street; Highland avenue from Collinsville to Market; 12th street from Reynolds street to McCambridge; Plum street from Reynolds to McCambridge; and Collinsville from Washington to McCambridge.

Buy Police Car

In other action, aldermen accepted a $1743 bid of E. B. Hohlt, Inc., Granite City, to furnish the police department with a new 1961 Ford car. The bid extends a trade-in allowance on an older vehicle.

Only other bid, from Farrington Motors Co., was $2019.

No report was submitted by the building committee on the proposed remodeling of the city hall and relocation of the fire station.

The new fire station would be housed in the former theater building next to the city hall.

Seniors Registering For Pre-College Tests

Seniors in Granite City high school who are planning to enter college next autumn are registering now for American College Testing program exams, Lawrence McCauley, principal, reported today. The closing date of registration is Saturday, Feb. 4.

The three-hour tests, to be given Saturday, Feb. 25, in 48 states and the District of Columbia, are required or recommended for admission to more than 500 colleges and universities in 23 states — Illinois, Missouri, Alabama, Alaska, Arkansas, California, Colorado, Idaho, Iowa, Kansas, Kentucky, Minnesota, Mississippi Montana, Nebraska, North Dakota, Ohio, Oklahoma, South Dakota, Tennessee, Texas and Wisconsin.

Participating colleges use ACT results for student guidance and admissions and for awarding scholarship aid to applicants, as well as for placing freshmen in classes or programs suited to their abilities. The test has four parts that yield five scores—a composite score indicating overall college potential, and four separate scores indicating levels of general capability in English, mathematics, social studies and natural sciences.

ACT scores and manuals explaining how results may be interpreted are furnished colleges indicated by students and are sent to a student's high school for his and the school's use guidance. Further information about the ACT tests, taken by more than 125,000 high school seniors last year, may be obtained in the GCHS guidance office.

Another Suit Filed In Levee Board Fight

A suit to oust Daniel E. Costello from the presidency of the board of trustees of the East Side Levee & Sanitary District was filed Monday in the circuit court at Belleville on behalf of three of the trustees, Lawrence T. Tolar, Thomas F. (Skip) Hennessy and John E. Molla.

Other litigation previously had been filed in the city court at East St. Louis on behalf of the other two trustees, Costello and George Duff, to prevent Tolar from assuming the presidency.

In the latest suit, a hearing is sought for next Monday in the St. Clair county circuit court, prior to next Wednesday's recessed meeting of the levee board.

The three trustees have petitioned for a declaratory judgment that proper notice was not given for a meeting last Dec. 7 when Costello was elected president by a 2-0 vote after Tolar, Hennessy and Molla left the meeting.

Tolar was named president on Dec. 19 when he, Hennessy and Molla voted, and Costello and Duff were absent.

Bi-State Agency Delays Meeting On Transit Plan

The Bi-State Development Agency will meet next month to discuss the W. C. Gilman Company report which has recommended public ownership of mass transit facilities in the metropolitan St. Louis region, it was announced Tuesday by Preston Estep, agency chairman.

Agency commissioners, who had previously indicated a meeting on the proposal would be held within two weeks after it was made public Jan. 4, want additional time to study the report before reaching any preliminary policy decisions Estep said.

Meanwhile, the St. Louis Public Service Co., by far the largest of 15 privately owned transportation systems operating in the bi-state region, has submitted a proposal to unify the 15 systems into a single operation, privately owned, by means of service contracts with the various municipalities under which routes, fares and earnings would be subject to governmental controls similar to other privately-owned utilities.

Principal difference between the Gilman recommendation and that of the St. Louis Public Service Co. is on the question of public or private ownership, together with elimination of certain local taxes now paid chiefly to the city of St. Louis.

State Urges

(Continued from Page 1)

sources of the schools to provide for an ever expanding enrollment.

"Basically, this district is operating in compliance with the rules and regulations of the office of superintendent of public instruction.

"Two years ago, the school board hired a new superintendent. During his short tenure at Granite City he has continued the tradition for outstanding leadership which this community demands of its administrators. Evidence seems to indicate that he has established a good working relationship with his board.

Written Procedures

"Written school policies have been adopted and are strictly adhered to. Teacher preparation in the Granite City unit is outstanding. Custodial and maintenance services of the buildings are of the highest order; even the older buildings are attractive."

Other subjects of praise included teacher working conditions, the salary schedule, students' respect for buildings and equipment, addition of an art supervisor, the physical education program, the new junior high school curriculum, developmental reading, increased emphasis on guidance, addition of languages, organization of high school subject areas, vocational training and administration of the high school.

Recommendations made were expansion of the administrative staff, particularly for research, relieving of principals' noon duty assignments, replacement of older desks for pupils, more instructional aids and supplementary reading materials, a district librarian, more maps and globes, expanded special education, more articulation between grades, additional creative writing and addition of counselors for emotional problems.

Stress Counseling

Dr. Kaiser reviewed efforts being made and noted that some of the gains have just been achieved in this school year. Others will be sought as funds permit, but further central staff expansion should be deferred at present in favor of additional personnel at the classroom level, such as the counseling staff, he commented.

The school board this fall authorized an administrative study of future construction needs, based on enrollment projections.

In addition to the report written by Mrs. Wills on behalf of herself, Lem Holloway and Hans Olsen, complimentary summaries were received from G. F. Cornwell, first assistant superintendent of public instruction, and Olin W. Stead, administrative director of the department of supervision.

today, was originally started by the Granite City Trust and Savings Bank.

William Milton Worthen, a member of the park board, is president of the memorial committee.

It was felt, a committee spokesman said, that Granite City should express its tribute, homage and gratitude to world war II dead through some public memorial. Hero dead of other wars are memorialized in tablets and markers in city hall grounds.

MISS DONNA TRGOVICH, who this week was named "winter sweetheart" by members of the Roca Young Men's Club.

Roca Club Selects 'Winter Sweetheart'

Miss Donna Trgovich, daughter of Mr. and Mrs. Steve Trgovich, 1923 Edwardsville road, was selected as "winter sweetheart" of the Roca Young Men's Club, according to an announcement made this week by Michael Mundy, president of the club.

The selection was made during a meeting of club members Tuesday evening.

Miss Trgovich is a junior at Granite City high school and is secretary of her class. She also is a member of the YMCA Teen Town Council, secretary of the Quin-Du Tri-Hi-Y and has participated in the school's Red Peppers activities.

Thorngate Club Elects Officers

The Thorngate Garden club met Tuesday afternoon at the home of Mrs. Ida Hanfelder on Thorngate road and held an election of officers for the coming year.

The president and hostess opened the meeting and conducted the election. Mrs. Lillian Delps was elected president, Mrs. Clara Schillinger vice-president, Mrs. Mary Cochran secretary and Mrs. Doris Smith, treasurer.

Mrs. Hanfelder turned the meeting over to the newly-elected president, who appointed Mrs. Mary Marcum as librarian, Mrs. Schillinger chaplain, Miss June Marcum photographer, Mrs. James LaVelle historian, Mrs. Millie Moss program chairman, Mrs. Hanfelder membership and Mrs. Caroline Moser, sunshine chairman.

A dessert luncheon was served by the hostess to the new officers and Mrs. Yvonne Guth, Mrs. Agnes Miller, Mrs. Beulah Miller, Mrs. Midge Sperry and Mrs. Olea Fea. Mrs. Beulah Miller and Mrs. Fea are new members.

The next meeting will be Feb. 14, with the place to be announced later.

Sorority Meets At Todd Home

Mrs. Joyce Todd, 2541 Center street, entertained Theta Iota Chapter of Beta Sigma Phi sorority last night.

The members repeated the opening ritual in unison, and Mrs. Pat Tsigolaroff, chapter president, conducted a business session. Plans were announced by Mrs. Beatrice Brackett for a charity project coinciding with St. Valentine's Day. The members are also planning an afternoon of bowling Sunday.

Mrs. Delores Dortch presented the cultural program on "Radio and Television."

Miss Lora Mae Coffman, who will be married Feb. 11 to Michael Lombardi, was honored with a shower of kitchen gifts after the meeting.

Refreshments were served by the hostess. Also present were Mesdames Juanita Calve and Betty Ebling and Misses Marcella Fabisher, Alice Vig, Alice Holshouser and Ruth Stovanoff, the chapter sponsor, Mrs. Lucille Harper, and a guest, Mrs. Virginia Tibbitts.

The next meeting will be held Jan. 25 in the home of Mrs. Tsigolaroff, 3432 Lydia lane.

MRS. KRAMER CONDUCTS MOOSE WOMEN PROGRAM

Mrs. Shirley Kramer, child care chairman, was in charge of the program at a meeting of the Women of the Moose last night.

Mrs. Rose Halbert, senior regent, was in charge and two new members were enrolled. They were Mrs. Betty Bair and Mrs. Estelle Smith.

An invitation was read to a mid-winter conference in Jerseyville Jan. 29, and entertainment was furnished by pupils of a local dance studio.

Prizes were won by Mrs. Burdella Myenburg and Mrs. Kramer, and refreshments were served by the hospitality committee to 42 lodge members and two guests, Mrs. Bertha Dudley regent and chaplain, respectively, of the Wood River chapter.

Faith and confidence ease folks over the ruts and pitfalls on the highway of life.

Ground Broken At Bank In Madison, July Completion

A July 27 completion date—27th anniversary of its founding—was promised as ground was broken Tuesday afternoon at the new location of the First National Bank in Madison. The ceremony was witnessed by a gathering of more than 100 persons.

After a gold shovel was wielded by President John E. Lee and Board Chairman James R. Alcott, Fred S. McNeill, vice-president of the William H. and Nelson Cunliff Co., designer and contractor for the project, said the firm hopes to have the building completed on schedule.

The groundbreaking took place at the new site, the northeast corner of Sixth street and Madison avenue, shortly after the regular day of business was concluded at 2 p.m. at the bank's present quarters, 401 Madison avenue.

The brief program began with Dr. Lee welcoming the group and presenting the board chairman, who pledged continued service to the public and expressed confidence in the president's administration of bank affairs.

Mayor Stephen Maeras congratulated the bank on behalf of the Madison city government, and said the new building will be a major improvement for the city.

After McNeill's remarks, Dr. Lee announced that the annual bank meeting would be held shortly afterward at the present bank photographs were taken of the bank staff and guests, who included many Quad-City area business and civic leaders.

The 45x110-foot building will be located on a 92½x162-foot lot, which will also include a parking area and drive-in banking facilities. The one-story brick building will be constructed so that a second floor could be added at a future date.

noon when a car in which he was riding was involved in a two-car collision at Marshall and Wilson avenues.

The boy was riding with his mother, Mrs. Gertrude Stafford, 29, of 2805 Wayne, who was driving south on Marshall avenue. The other car was being operated east on Wilson avenue by Robert D. Everts, 24, of 2912 Warren avenue. He was charged by police with operating a motor vehicle without a driver's license and released on $16 cash bail.

Youth Hurt In 3-Car Crash

A 16-year-old youth, Stanley Barnes, 2454 Logan street, suffered a one-inch scalp cut Tuesday afternoon when an auto in which he was riding, driven by Carl G. Barnes, 20, also of 2454 Logan street, was involved in a three-car pileup in the 2000 block of Missouri avenue.

Carl Barnes was issued an arrest ticket by police on a charge of following too closely. He posted his driver's license as bond.

The police report shows Barnes was driving north on Missouri avenue and crashed into the rear of an auto driven by Marvin Alliston, 43, of St. Ann, Mo., knocking it into an auto driven by Willis C. Bieke, 46, of St. Charles, Mo. Both Alliston and Birks were stopped for a car making a left turn.

The injured youth was given emergency treatment at St. Elizabeth Hospital.

Minor injuries were suffered Monday afternoon by a passenger in an auto involved in an accident on Nameoki road at the Johnson road intersection. The other driver, Billy C. Parris, 17, of 1305 Kirkpatrick Homes, was charged with following too closely.

Police said Parris was driving north and crashed into the rear of the northbound auto of Earl E. Zimmerman, 54, of Edwardsville. Injuried was Thomas Ladd, also of Edwardsville, who was riding with Zimmerman.

According to the report, Zimmerman stopped for a boulevard sign and Parris crashed into the rear of his auto. The youth posted his driver's license as bond for a hearing on Saturday.

City Court Jury Setting Continues

Twenty-three cases originally on the city court's two-week jury setting docket, which began Tuesday, have been stricken, continued, settled out of court or postponed to a later setting, the office of the court clerk reported this morning.

A lawsuit with Raymond W. Steiger listed as the plaintiff and Harold Waggoner as the defendant reached the jury yesterday afternoon, but by 11 p.m. no verdict had been reached and City Court Judge Fred P. Schuman declared a hung jury and dismissed the jurors.

This morning the jury was hearing testimony in a lawsuit brought by Everett C. Kelley, a Granite City policeman, against George Kutey as the result of an auto accident.

Three cases, all lawsuits, have been declared ready for next Monday's jury setting, and a fourth is scheduled for Tuesday.

HOMER A. HUBER NEW DIRECTORS for the Granite City Trust & Savings Bank elected during yesterday's annual meeting of stockholders are Homer A. Huber (left) and Milford D. Walston.

MILFORD D. WALSTON

Trust Bank Increases Board Of Directors By 2 Members

The board of directors of the Granite City Trust & Savings Bank was increased by two to a total 10 members yesterday afternoon during the annual meeting of stockholders held at the bank.

The new directors are Homer A. Huber, local civic leader, president of Feder and Huber Furniture Co. and president of the Granite City school board, and Milford D. Walston, manager of the Civic Memorial Airport near Alton and president of Walston Aviation, Inc., Walston Aircraft Sales & Service, Inc., Walston Aircraft Sales, Inc., and the Aircraft Finance Co., of Springfield.

Directors re-elected were R. C. Barney, C. L. Louis, G. H. Sternberg, Alfred Walcher, John McBride, William Brockie, Henry D. Karandjeff and Ernest A. Karandjeff.

Officers re-elected by the board were—H. D. Karandjeff, chairman; E. A. Karandjeff, president and trust officer; Elmer Hurry, cashier; Barry Lowman and Allen Jessee, vice-presidents; and John P. Polson, Joseph Daum, William C. Evans, Elmer Rittenhouse, A. J. Zedlek and Oliver Jacobsmeyer, assistant cashiers.

In submitting annual reports to the stockholders, 90% of whom were represented either in person or by proxy, Chairman H. D. Karandjeff said:

"Our 50th anniversary year was one of the most outstanding in the achievement of our goals in volume of deposits and in earnings. Our expansion program in adding new features and facilities reached a new high in the purchase and demolition of the former Madison County Federal Savings & Loan building, adjacent to the drive-in teller windows immediately to the north of the bank.

"This new acquisition will be further improved so that our patrons will be able to transact their business quickly and conveniently from their cars, or they may park and walk but a few steps into the bank lobby.

"The installation of the Carillon chimes, which have received such a preponderance of public acceptance, is another innovation for Granite City, joining such cities as Cincinnati, Atlanta, Minneapolis and others.

"Also, in line of progress, a new and modern time and temperature clock was installed during the 50th anniversary year, giving Granite Cityans this further innovation. In beginning the second half of its century, the 'Friendly Bank,' in keeping with the foresight and dedication of its founders over 50 years ago, will continue to make history in rendering banking services to the people of our community which is second to none anywhere.

"We are grateful and proud to be serving thousands of people in connection with their banking needs in our area, and our objectives will continue to be a greater and a finer community for the enjoyment of our people in work, in play and in the achievement of the better life."

New Girl Scout Council Organizes In February

The Tri-City Girl Scout Council has held its last "traditional type" council monthly meeting. Beginning Feb. 13, "association type" council sessions will be held.

The February meeting will take place at the Madison Memorial Center for election of officers and board members for one-year terms.

The "association type" council provides for wider representation from among Girl Scout groups where council operation and decisions are involved, and will include registered adults within the council area.

In the past few years the Tri-City Council has experienced tremendous growth, and now serves 2078 registered Girl Scouts. Leaders hope to better serve this group through the reorganized council.

Six projects already are on the council's agenda for the early months of 1961.

Included are a district patrol training course for leaders on Jan. 24 and 26 at East St. Louis; a five-day camp directors course beginning Jan. 30, a night basic leadership course for new leaders starting Jan. 26 at the local Girl Scout office, an international potluck dinner to be held on International Friendship Day, March 16, a spring cookie kick-off March 11, and established camp at Camp Ouatoga, Pere Marquete State Park, for two weeks beginning June 10.

Plans to set up a Senior Girl Scout planning board are also progressing.

2 GC Constables File As Independents

Two Granite Cityans filed petitions as independent candidates for the office of District One constables, it was learned today from County Clerk Miss Eulalia Hotz.

They are Oliver J. Lowrance, 2564 Benton street, and Walter J. Emde, 1249 Niedringhaus avenue, who are Granite City township constables at present.

The filing period for independent candidates opened last Monday and closes next Monday. There have been no filings by independent candidates for the justice of the peace post to be filled April 4 in the local district.

Dog Complaint

Granite City police were called at 1:45 a.m. today to the 2200 block of Terminal avenue where residents were complaining that a neighbor's dog was keeping them awake. Police advised the owners of the dog who took the animal inside their house.

Girl Scout Troop 136 met Tuesday at the Mitchell school gym under the leadership of Mrs. Gladys Green and Mrs. Bernice McKay. In addition to other activities, the girls played a game in which they shelled peanuts while wearing men's work gloves. The troop had one guest present.

Preparation of Next GC School Budget Begins

Work is being started this month on the 1961-62 Granite City school district budget, even though it will not be submitted to the school board until July. Supt. Harold M. Kaiser told the board Tuesday night.

Administrators, principals and department heads will share in building the yearly appropriation for the period beginning July 1. Principals will turn in their budget reports by March 6 and administrative assistants will submit their recommendations by April 14, with income and expenditure estimates completed by May 1.

Final adoption of the budget is planned for August.

Hire Teacher Of German

Personnel actions taken Tuesday were employment of Mrs. Marcia Parish of Granite City as high school and junior high German teacher, and acceptance of resignations from Mrs. Susanne J. Byrd, present German teacher, and Mrs. Calvin Marcum, Marysville school secretary.

Mrs. Parish has five months of teaching experience and received a bachelor degree in 1959 from the University of Illinois.

Mrs. Marcum has obtained other employment and Mrs. Byrd cited family reasons in her request.

Water Damage to Top $2500

Damage exceeding $2500 and possibly reaching $3000 resulted from the Christmas Eve water line break that flooded the basement of the GCHS gymnasium building, Supt. Kaiser reported. Heat and power were halted temporarily to the gyms and the Coolidge junior high school.

While this type of damage is not insured, good points included early detection of the break, its occurrence during the holidays when schools were not in use, the high temperature at the time and electricians' and school employees' willingness to work Christmas Eve and Christmas Day to make initial repairs, Dr. Kaiser said.

An 1100-square-foot basement area flooded to a depth of nearly six feet contained a heat exchanger, condensate pumps, air compressor, sump pump, fire alarm panel board, telephone panel board and a transformer with switch gear. A pump put into use at noon Dec. 24 enabled most of the water to be pumped out by 6 p. m., and power to Coolidge was restored by 8 p. m., the board was told.

Underground Break

The break occurred six feet underground in land near the gymnasiums and apparently resulted from settlings and temperature changes.

A second break developed later but was farther from the building and did no damage, the superintendent explained.

Bids were opened during Tuesday's session on grass seed, athletic equipment, industrial arts supplies and equipment, shop supplies and a GCHS downspout. They are to be tabulated for action at the next meeting Jan. 24.

Chalkboards, Tackboards

The board accepted a $4710 low bid from Blackwell Wielandy Co. of St. Louis on supplying six-foot and eight-foot chalkboards and tackboards for junior high and elementary schools. Other bids ranged from $4967 to $7882.

Accepting bids on audio-visual equipment, the board purchased from Visualcraft Inc., a $254 overhead projector for GCHS and two $297 movie projectors for Prather junior high, from Electronic Specialties, a $73 filmstrip projector and $34 projection screen for Prather, and from Johnson's Music, three tape recorders at $134 each. New bids will be sought on record players.

A $134 bid from Ahrens and McCarron Inc. on supplying ten drinking fountain "bubblers" was accepted. Nearly all are to be used at Webster grade school, where present equipment is old, causing wasted water and difficult maintenance, Administrative Assistant Victor Anderson reported.

Savings On Paper Supplies

Anderson reported savings as the board bought 6400 reams of duplicating paper from Atwood Paper Co. on its low bid of $4135. Others varied from $4228 to $5167. On similar purchases, costs were $4464 in the summer of 1959 and $4356 in the summer of 1960, he pointed out.

Dr. Kaiser attributed the difference to seeking bids in January, regarded as the "off season" for school supply purchases. It is planned to order at this time again next year, he said.

In final bid action, the board accepted a low bid of $218 from Mann Carpet Co. on supplying 25 door mats. Half of the mats currently in service at the Frohardt and Coolidge schools are to be replaced.

No Reconditioning Bids

No bids were received on reconditioning of football equipment, the board was told. A 27-day bidding period was given, but none resulted although inquiries were made by firms in Wichita, Kan., and Carbondale, Ill.

The board authorized purchase of a new type of circular saw safety guard from the Brett-Guard Corp. of Englewood, N. J., at $122. It is the only one available that affords both safety and a view of the cutting area, it was explained. It will be used in the district's vocational program.

First GC National Bank Officers, Directors Renamed

The directors and officers of First Granite City National were re-elected during the annual meeting of shareholders held Tuesday afternoon.

The bank's officers include a new assistant vice-president, H. Nelson jr., who was promoted from assistant cashier.

Officers re-elected were Erwin Niemann, chairman of the board; S. E. Pershall, vice-chairman; H. R. Fischer, president and trust officer; P. H. Lichtenberger, executive vice-president and assistant trust officer; C. L. Gray, vice-president and cashier; R. L. Toburen, vice-president; Glen Ruckriegel, Alex Schaffer, George W. Reeves, Robert O'Briant and Walter Gavlik, assistant cashiers, and I. J. Pitman, auditor.

Chairman Niedringhaus told the assembled shareholders, "Public acceptance of our newly enlarged banking quarters has been very gratifying. We are now serving more people in the Quad-Cities area than at any time in the bank's history. The establishing of our new accounting department, doubling the number of tellers' windows and expansion of our loaning staff has enabled us to handle this increased volume of business with a minimum of waiting on the part of our customers.

"During the past year, we have installed the latest in electronic bookkeeping equipment and we are now in the process of converting our operation to the use of this equipment.

"Within the next few months all of our customers will be using checks coded in magnetic ink. Use of this type of check in connection with the new equipment will materially reduce the possibility of error in the handling of customers accounts and should result in vastly improved customer relations.

"Recently the bank has instituted an employees' incentive plan under which employees will be awarded for bringing new business to the bank. Banking is primarily a service business," Niedringhaus said, "and the more people we can serve, the better we can fulfill our obligation to our community.

"As anticipated," he added, "the cost of moving to our new building and the increased cost of operating in our larger quarters resulted in lower net profits for the year. Gross income

Additional Filings, Petitions In GC

Five candidates—four for city offices and one for a township post—filed petitions of nomination this week with City Clerk A. J. Stevens.

Of the four city office seekers, two will oppose Mayor Davis for the municipality's top office—Fourth Ward Alderman Donald A. Partney and Sinbad Kasmadin, a salesman.

Also filing for city offices were David Lee Hammond, 2413 Iowa street, for Seventh Ward alderman, and Harold L. Harper, 2408 Kilarney drive, for Sixth Ward alderman.

Prospective candidates picking up petitions this week include two planning to oppose Leonard Orin for the office of township supervisor—Roy V. Downing, 2357 Spalding avenue, and E. J. Gordon, 2533 Madison avenue.

Securing city office petitions were Earl R. Thompson, 3805 Walnut avenue, for city treasurer; James Kostoff, 2438 Madison avenue, for alderman, Seventh Ward, and Mrs. Lilly Chisonie, 2865 Ralph street, for alderwoman, Sixth Ward.

No Filings Yet In Nameoki Township

While at least two or three tickets are expected to file for city offices to be filled next April in Nameoki township, no filings have been received as yet by Town Clerk Willard Hicks. The filing period opened Monday and will close Feb. 13.

Hicks said he has heard two or perhaps three complete tickets are to be filed.

To be elected are a tax assessor, a post now held by Joseph Cohan; tax collector, now held by Harold Massa; town clerk, an office held by Hicks, and three town auditors, who will replace the present town board consisting of five justices of the peace.

The town attorney, Nick Vasileff, said the new three-member board of town auditors was established by state law to replace the justice of the peace. Township JP and constable posts are being eliminated in favor of district JP and constable officers to be elected April 4.

Vasileff said the new auditors are to be paid at a rate of $10 per diem or for a meeting. The board is expected to meet once a month.

Aiassi To Address Mitchell PTA Tonight

The Mitchell PTA will hold its monthly meeting this evening at 7:30 at the school, with Jack Huckabee, president, in charge of the meeting. Guest speaker will be Eugene Asassi, supervisor of the Granite City school art instruction program.

Refreshments will be served by the fourth grade room mothers.

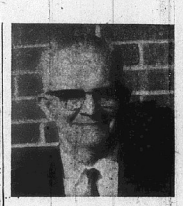

Mitchell Kiwanians Install Officers

New officers were installed by the Mitchell Kiwanis Club at a meeting Monday at Smith Cafe. Installing officer was district Lt. Gov. Orville Legate of Edwardsville.

Installed were Thomas Smith, president; John Sands, first vice-president; Lee Barker, second vice-president; Uel Buford, treasurer; and George Stethem, secretary.

Outgoing president, Robert Franko, was presented a leadership plaque by the new president.

Following the ceremonies, Rev. William B. Sills, of the First Presbyterian church, Collinsville, spoke on alcoholism. He pointed out methods used to combat the problem.

NEW PRESIDENT of the Mitchell Kiwanis Club. Thomas Smith, who was installed in ceremonies Monday at a meeting.

Thirty members and wives attended the meeting, in which the ladies were presented orchids.

Eagles Auxiliary Plans Events

A scheduled meeting of the Eagles Auxiliary was held Tuesday evening with Mrs. Viola Carey presiding.

An invitation has been received from the escort team of the East St. Louis Auxiliary to take part with that group at the state convention to be held next June in Peoria with Mrs. Frances Steinman of the local Auxiliary, state president, presiding.

Mrs. Gladys Newman reported on the Christmas party given at the Madison Nursing Home, and Mrs. Angie Buehler reported plans for a visit to the Madison County Sanatorium on Jan. 17. Mrs. Theresa Daigger, membership chairman, presented Mrs. Mary Gwin with a gift for having enrolled the greatest number of members in the past three months and a final report on a sale of Christmas cards was given by Mrs. Norma Hemken and Mrs. Dottie Shuppert. The semi-annual audit was submitted by Mrs. Cora Hettich.

The muscular dystrophy "traveling basket" was discussed by Mrs. Frances Pasek and Mrs. Ann Konopka, and the award for the evening went to Mrs. Josephine Yurko.

Refreshments were served to 40 members by Mrs. Gladys Skubish, Mrs. Hazel Hall, Mrs. Blanche Scantling and Mrs. Eileen Rickert.

The next meeting will take place Jan. 24.

ANNOUNCE MARRIAGE OF FORMER GRANITE CITYAN

Announcementts have been received of the recent marriage of Miss **Carol Lee TeBockhorst**, a daughter of Mr. and Mrs. Gerard M. TeBockhorst of Denver, Colo., and **Lt. Anthony Bilello**, a son of Mr. and Mrs. Anthony J. Bilello of Edwardsville, formerly of Granite City.

The ceremony took place at high noon Jan. 7 at Christ The King Catholic Church in Denver with the Rev. Edward A. Leyden officiating.

A reception was held at the Denver Athletic Club after the service. The newlyweds will reside at Reese Air Force Base, Lubbock, Tex.

The former Miss TeBockhorst attended St. Mary's Academy and Colorado State University. Lt. Bilello graduated from the Granite City high school and attended Washington University and the Naval Academy Prep School at Bainbridge, Md. He received his commission from the U.S. Air Force Academy.

ENGAGED. Miss Phyllis Jean Cell, whose parents, Mr. and Mrs. Joseph Cell of Edwardsvills, formerly of this city, are announcing her betrothal to James R. Kimbro of Georgetown, Tex., a son of Mr. and Mrs. Y. W. Kimbro.

Cell-Kimbro Betrothal Told

Mr. and Mrs. Joseph Cell of Edwardsville, former Granite Cityans, are announcing the engagement of their daughter, Miss Phyllis Jean Cell, to James Robert Kimbro of Georgetown, Tex.

The bride-to-be graduated from the Edwardsville high school in 1958 and is now a senior student at the Lutheran Hospital School of Nursing in St. Louis.

A son of Mr. and Mrs. Y. W. Kimbro, the prospective bridegroom graduated from the Georgetown high school and is presently with the U. S. Navy stationed on Guam. A definite date has not been set for the wedding.

MRS. RONNIE JOYCE, the former Gloria Stille, daughter of the late Mr. and Mrs. Elmer Stille sr., who was married Saturday at Calvary Baptist Church. The bride resided with her brother-in-law and sister, Mr. and Mrs. Victor Davis, 2829 Dogwood drive.

St. Joseph P&F Club Meets

The January meeting of the Parents and Friends Club of St. Joseph's parochial school was held last night in the school basement.

Mrs. Aileen Smith conducted the business discussion during which plans were made to hold a fish fry on the fourth Friday of each month. Mr. and Mrs. Ed Boyer will serve as co-chairmen of the event.

Also planned was a pot luck supper and Mardi Gras party in connection with the next regular meeting in February. Two new officers were elected. They were Herbert Reisinger, treasurer, and Mrs. Betsey Bartosiak, assistant secretary.

Mrs. Bartosiak was refreshment chairman at last night's meeting and approximately 32 were served.

Episcopal Women Plan For Meeting

The Episcopal Church Women of St. Bartholomew's met Tuesday evening at the parish house with Mrs. Doris Votaw, vice-president, in charge.

Plans were made for the annual parish meeting and dinner Jan. 17 and the cook book project was discussed. A letter was read by Mrs. Lillian Chepley from Episcopalians in the Philippine Islands.

Mrs. Mary Breckenridge and Mrs. Florence Zenik were hostesses at the meeting which was attended by 11 members.

Legion Auxiliary Aids Groups

The American Legion Auxiliary, Unit 113, met last night with Mrs. Mary Batson, president, in charge.

Contributions were made to the March of Dimes, national Security, Crusade for Freedom and the Nine Point Program.

The Unit will entertain the district director at the first meeting in February and plans are being made for the Heart Fund drive. Mrs. Nora Carver was named chairman of the work.

The members were reminded of a district meeting to be held in Carbondale Jan. 22 and other business was transacted.

Hostesses were Mrs. Edna Branscomb and Mrs. Doris Edwards and prizes were won by Mrs. Mildred Rees, Mrs. Dorothy McCann, Mrs. Doris Edwards, Mrs. Cecelia Malottki, Mrs. Dorothy Johnson, Mrs. Abbie Fox and Mrs. Elia Mc-Kittrick. Refreshments were served to 25 members.

Mothers Of Twins Elect

Mrs. Shirley Heath was hostess Monday evening to the Mothers of Twins club in her home, 2320 St. Bernard avenue. Election of officers for the coming year was held, with Mrs. Millie Schubert elected president, Mrs. Geneva Downing vice-president, Mrs. Lora Hollis treasurer, Mrs. Margaret Feeney secretary, Mrs. Elizabeth Niepert corresponding secretary and Mrs. Sally Sladky, reporter.

During a business meeting conducted by the new president, plans were made to entertain the husbands at an annual dinner Feb. 18. Mrs. James Schwartz and Mrs. Melba Gracy were welcomed as new members.

Games were played, with Mrs. Pat Kent, Mrs. James Schwartz, Mrs. Niepert, Mrs. Schubert, Mrs. Hollis and Mrs. Grady winning prizes.

The hostess served a late dessert course. Others present were Mrs. Leythis Odom, Mrs. Helen Rehagen, Mrs. Loretta Schips and Mrs. Lee Willis. Mrs. Downing invited the club to her home, 2527 Spalding avenue, for the Feb. 13 meeting.

DENNIS WICKHAM HONORED ON BIRTHDAY

Mr. and Mrs. Kermit Wickham, 900a Niedringhaus avenue, entertained guests at a buffet supper in their home last night in honor of the ninth birthday of their son, Dennis Wayne.

Present were Mr. and Mrs. Otto Wickham and son, Terry, Sterling Wickham, Curtis and Ricky Wickham, Mrs. W. C. Schmidt and daughters, Eleanor and Michele, B. Camacho, Larry Don and Shirley Wickham, Bobby Joe Meyer, Linda, Marta and Xavier Ybarra and the honoree.

Games furnished entertainment for the children and adult guests throughout the evening.

SORORITY HEARS TALK ON MEXICO

A talk on "Mexico" was given by Miss Juanita Bell before Epsilon Eta Chapter of Epsilon Sigma Alpha sorority last night in the home of Mrs. Janice Bilello, 1405 Norwood drive. Miss Bell also displayed motion pictures of Mexico and a number of curios and novelty souvenirs collected in that country. She was assisted by Miss Lee Dean.

Miss Lucille Segedy presided at the meeting and several committee reports were read and approved. Plans were also made to limit the number of rushees in April to six.

Refreshments were served to 13 members and the guests who presented the program.

Mothers Club Plans Events

The Mothers Club of Sacred Heart parochial school met last night in the school basement with about 50 members attending.

Mrs. Doris Huff, president, was in charge, and a painting by one of the mothers was on display. Rev. Michael Costello addressed the group briefly and plans were made for a silent auction in February. Also discussed was a "bakeless" bake sale to take place next month. Serving as chairman of the latter event will be Mrs. Lillian Turck and Mrs. Marge Saltich.

In the near future the club will visit several TV shows in St. Louis.

The award for the evening went to Sister Jean Francis' room, and the prize was won by Mrs. Ann Frederick.

UPWA EXECUTIVE BOARD MEETS AT MITCHELL

The executive board of the Mitchell United Presbyterian Women's Association met at the manse Tuesday evening, with the business meeting conducted by the new president, Mrs. Shirley Shane.

Fourteen members attended and plans were made for the coming year. The group will serve breakfast and lunch for the Presbyterial meeting Jan. 24. The regular meeting of the association will be held Jan. 22 at the church.

Las Vegas Theme For Party

Mrs. Kenneth Graham and Mrs. George Louis were co-hostesses to Eta Alumnae Chapter of the Phi Tau Omega sorority at a party in the home of Mrs. Louis, 39 Oaklawn drive, last night.

A Las Vegas gambling party theme was used and the members and guests rotated to the various games which resembled those of a casino.

A chuck wagon buffet supper was served and the tables at which the group was seated held golden goblets filled with coins, and black candles in gold holders. Favors were miniature slot machines.

Approximately 24 were present, including three guests, Mrs. Marguerite Kennedy, Mrs. Esther Schermer and Mrs. Nina Bigley. Awards went to Miss Irene Hayes, Mrs. Verna Meyer, Mrs. Wilma Bono, Miss Celestine Lucas, Mrs. Harriet Mercer, Mrs. Ruby Overbeck and Mrs. Helen Hoelscher.

Auto Accident

Involved in an accident Wednesday morning at East 23rd and August streets were autos driven on East 23rd street by Norma G. Pfiefer, 24, of Belleville, and William Freeman, 3 Kaseberg lane, according to a report received by police from the Belleville motorist.

Eagles To Initiate 37 Here On Sunday

Thirty-seven candidates for membership in Eagles Lodge 1126 will be initiated in ceremonies at the Eagles Club, 2558 Madison avenue, beginning at 2:30 p.m. Sunday.

An Eagles district ritual team will perform the initiation, and speakers of note on the program include the lodge's state president, Louis Akin of Waukegan; Jesse Brown, past-president of the local lodge and now a national director residing in Gary, Ind.; and Willie McCauley, state chaplain of East St. Louis.

Following the initiation, new district officers will be installed. James Heil of East St. Louis is the president-elect. The ladies of the Eagles Auxiliary will serve lunch following the program, and dancing for members and friends will follow.

PTA Appreciation Dinner Planned

The Emerson PTA met at the school Tuesday evening with Edward Gonwa, president, conducting the meeting. He led the pledge of allegiance, and reports were heard from standing committees, after which Gonwa announced that the annual appreciation dinner for PTA members is to be held Feb. 18 in the cafeteria of Granite City high school.

A lifetime membership in the PTA will be awarded to some active member at that time. It also announced that the PTA Area Council will meet Jan. 24.

Mrs. Rowena Mikolaszuk was elected hospitality chairman for the remainder of the year. The evening's program was centered around the showing of a safety film "The Case of Officer Hall-brand." This film had received a Safety Council Award previously.

The fifth and sixth grade room of Jerry Johnson won the award for having the highest percentage of parents attending.

The hospitality committee served refreshments. The executive board will meet Feb. 7, and the next PTA meeting will be Feb. 14.

Twilight Class Continues Study

In keeping with the theme for the year, "Women of the Bible," the Twilight Class of Mt. Zion General Baptist Church studied "Eve" Tuesday evening at a monthly meeting in the home of Mrs. Harriet Phelps, 1719 Delmar avenue.

Devotions were given by the hostess and Mrs. Mildred Rippy, president of the class, presided. After the short business session the meeting closed with prayer by Mrs. Dorothy Moss.

The next meeting is to be with Mrs. Rippy, 1733 Edison avenue.

Dow Group Aids Junior Service Charity Program

Checks in the amount of $135 have been received from the Dow-Madison club, accompanied with a letter commending the Madison Junior Service club on the work done on charity projects.

The checks were acknowledged at a Junior Service club meeting Tuesday evening, held at the First Presbyterian Church of Madison. A letter of thanks is to be sent to the Dow group for its aid. Various charity cases are taken care of by the club, with an eye surgery case for a Madison boy now in progress.

Mrs. Shirley Rapoff, president, was in charge of the meeting, and several old and new projects were discussed. A white elephant sale is to be held at the next meting, at the church Feb. 11. Each member is to bring articles to be auctioned.

Names were taken for reservations for a Federation meeting Jan. 21, when the Granite City Junior Service club will be host-ess club. Names of prospective members were read and approved. Letters will will be sent to each for acceptance.

The hostesses, Mrs. Julia Voloski, Mrs. Charlene Burns, Mrs. Rapoff and Mrs. Lenna Williams, served sandwiches, tossed salad, hot bread and coffee. Hostesses for the February meeting will be Mrs. Martha Stanfill, Mrs. Mary Stanfill, Mrs. Jeanette Trtanj Miss Christine Popyancheff.

Trojans Hang 71-52 Haymaker On GCHS Quintet

Pour Through 32 Points In 4th Quarter

It required the better part of three quarters Tuesday night before Madison's Trojans properly sharpened the team's offensive sword, but once honed the blade fell with devastating effect upon the visiting Granite City Warriors.

Earl McClanahan's Hubtowners staged a dazzling display of offensive basketball in the final eight minutes of play, bombed the Warrior basket for 32 points and took away a lopsided victory in the important non-conference prep cage contest, 71-52.

Chief prepetrators of the mild upset were Ken Griggs, a will-o'-the-wisp backliner; and loose-jointed Forward Don Freeman, who led a second half Madison comback and scored 15 of his 22 points in the final two periods.

Command of the backboards, thanks to the work of Ed Walker and Freeman, plus a full-court press which was especially effective in the wild final quarter, also were important factors in the the outcome.

So was Granite City's loss of its principal rebounders and shooters, Jim Simpson and Frank Knight — Simpson via the personal foul route in the first minute of the fourth quarter, and Knight late in the ball game when little doubt remained that this one belonged to Madison.

Capacity Crowd On Hand

Some 1600 fans who jammed the Madison high school gym witnessed a hotly-contested three quarters, with the lead changing hands eight times before Freeman and Griggs put the match to the fuse of Madison's final-period firecracker.

Both clubs appeared tense and did not shoot especially well in the first quarter, which ended with Madison two points up at 13-11.

Knight who led the Warriors with 19 points, strung five of them early in the second period to boost the hedmen into the lead.

Warriors Lead At Halftime

The teams traded baskets and Knight again found the range just before the halftime buzzer to send the Warriors ahead 26-23.

Simpson's jumper, the first basket of the third stanza, gave Sullivan's squad its biggest lead of the evening, 28-23

Freeman and Griggs, faking and shooting well, scored 10 points between them in the next seven minutes, with Griggs cannoning a long one from the side as the quarter came to a close with Big Green on top to stay, 39-34.

Simpson Fouls Out

Simpson, who had held a cold Walker to eight points for three periods, fouled out with Granite City trailing by seven but still in the ballgame early in the fourth quarter.

The big Madison center, with a huge assist from Freeman, then took command of the boards and pulled off missed Warrior shots to set up the Trojans' running game, which was clicking beautifully.

Granite City's press, employed for the remainder of the quarter to no avail, could not contain Madison, which broke through the defense for three easy lay-ups in a three-minute period that saw the Trojans score 14 points and move to a 64-40 lead.

Exceptionally good scoring efforts in the final minutes came from Walker, who dumped in 10 points; Freeman, who had nine; and Griggs, who added eight. Warrior sub Larry Noblin hit two for two in the late going, but Madison capitalized on 10 Granite City fouls.

1st Loss In 4 Games

Granite City's loss was its first to Madison in four games. The Warriors, now 6-6, defeated the Trojans twice in regular season play during the 1959-60 campaign, and did it again in the first round of the Collinsville regional.

The victory boosted Madison to a 7-3 mark on the current season. The Trojans, 3-0 in Mid-western conference play, face loop rival Roxana (4-0) there tomorrow night in hopes of regaining the conference lead, while Granite City engages O'Fallon in a first-round game at the Dupo invitational tourney tonight at 7:15.

Madison's Jayvees made Tuesday night a clean sweep by winning from the junior Warriors in a preliminary game, 51-41.

The varsity scoring: Granite City — Frank Knight 19, Jim Simpson 12, Glen Hoffman 7, Harry Thurau 5, Larry Noblin 4, Larry Wortham 3, Moore 2, Bob Hoffek 0, Larry Diak 0, Max Prussak 0, Grant Takmajian 0, John Groboski 0; Madison—Don Freeman 22, Ed Walker 18, Ken Griggs 16, Dan Hrysko 6, Mick Graville 6, Shirley Barton 3, Charles Venarsky 0.

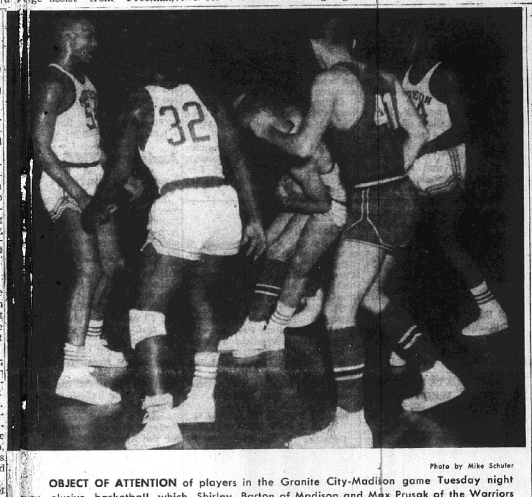

Photo by Mike Schuler

OBJECT OF ATTENTION of players in the Granite City-Madison game Tuesday night was elusive basketball which Shirley Barton of Madison and Max Prusak of the Warriors (partially obscured in center) struggled for. Players identified from left to right are Ed Walker (54) and Ken Griggs (32) of Madison, Harry Thurau (41) of Granite City and Don Freeman (14) of Madison. The scramble resulted in a jump ball.

Warrior Varsity, Jayvee Matmen Score Shutouts Over Normandy HS

If Normandy high school wrestling Coach Vernon "Hap" Whitney thinks twice next season before again scheduling a dual meet with Granite City's grapplers, he may be excused.

Bill "Red" Schmitt's GCHS varsity squad securely pinned the visitors from St. Louis county here Tuesday night 48-0, the first shutout recorded by the Redmen in eight meets this season. Bob Whelan's Jayvees added to Normandy woes by scoring a 53-0 victory in simultaneous action on the mats.

"We didn't expect it to be this easy," commented Schmitt. "But they (Normandy) had no 'snap' and and I think we had put our minds to it—it's the best the boys have looked. They were making good moves and didn't win sloppily."

Six Pins By GCHS

The Warriors won all 12 varsity bouts, six of them by pins, to improve this season's record to 7-1 in dual meet competition. Tomorrow at 8 p.m., "Smitty's" crew engages East St. Louis for the first time since 1944.

The Flyers are back in the wrestling arena of the Southwestern conference for the first time in 16 years, and have an 0-4 mark to show this year.

However, in a 22-match series with Granite City, tomorrow's visitors hold a 17-4-1 edge. From 1934 through 1944, the Flyers either won or shared the SWC title, and in 1943 administered the worst defeat ever suffered by a Warrior mat team, 32-5.

Frosh-Soph Meet Set

Wrestling action will abound here this weekend. The GCHS gym Saturday will be the scene of the fourth annual frosh-soph tourney. It has drawn entries from nine schools, including the Warrior sophomore group, which has won the title at each of the previous mets.

Other local entries include squads from Coolidge and Prather junior high schools, plus East St. Louis, Edwardsville, Jacksonville, Normandy, Riverview Gardens and Wood River title aspirants.

Preliminary matches will begin at 1 p.m., followed by the semifinals. Third - place and championship finals will be included at a second session set for 7:30 p.m.

Varsity Results

The GC-Normandy varsity results:

95—Tom Tindell (GC) pinned Jerry Aid in 2:20, 103—Larry Reynolds (GC) pinned Dick Boesch in 1:35, 112 — Ernie Taylor (GC) decisioned Dave Kalics 4-0, 120—Roger Bloodworth (GC) pinned Jim Vadja in 2:54, 127—Buddy Felchlin (GC) decisioned Dennis Quinn 9-0, 133—Dan Brawley (GC) pinned Ed Faro in 5:06.

Alton, Jerseyville Advance At Dupo; Warriors Take On O'Fallon Tonight

One point made the difference in each of two first-round games played last night as the Dupo high school invitational meet got underway.

Alton scored four points in the final 20 seconds to nip Freeburg 57-56 after Jerseyville had eked out a 59-58 victory over Belleville in the first game of the 14th annual prep cage get-together.

Granite City will try to improve on a 6-6 record tonight when the Warriors tackle O'Fallon in the first game in the lower bracket at 7:15. Cathedral's Crusaders go against the host team at 8:45 p. m. to wind up first-round action.

Should the Warriors win tonight, they will oppose the Cathedral-Dupo winner at 8:45 p. m. Friday. A loss tonight would drop them into the consolation bracket against the losers of the Cathedral-Dupo game at 3 p. m. Saturday.

Jerseyville and Alton tangle in the winners' bracket semi-finals Friday at 7:15, while Belleville and Freeburg battle to reach the consolation finals at 1:30 p. m. Saturday.

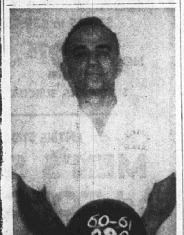

Consolation finals will be played Saturday at 7:30 p. m. and the tourney title game at 8 p. m.

Madison JHS Sweeps Two From Prather

Madison junior high school rolled to a 21-8 halftime lead, and then kept the pressure on to defeat Prather JHS eighth grade basketball squad on the Prather gym floor Tuesday, 42-21.

Hayes Wright and John Nishke provided 1-2 punch for the winners with 12 and 10 points. Larry Dutton was high for Prather with seven.

Madison's seventh graders won the preliminary game 29-28. It was the third one-point loss of the season for the first-year Prather team. Paul Lusk, who did not play during the first quarter, racked in 18 points for Madison. Jim Rains scored eight for Prather.

Prather will play at Coolidge JHS Jan. 19, while Madison is at home to East Alton at 4 p.m. today.

Schlitz Rolls Revere Room In SIBPA Action

Their first-place lead shaved to 1½ games, the Faistaffs of Alton will try to rebound Saturday night when the Southern Illinois Bowling Proprietors Association Traveling Classic league shoots at the Bel-Air Bowl in Belleville.

The Faistaffs will meet Black Label Beer of Belleville, while contenders Revere Room of Collinsville, in second place, and Bowland Schlitz of Granite City, holder of the third position, meet in another match.

Rounding out the Saturday action, which begins at 7 p.m., are duels between Lomans Bowlers Shop of East St. Louis and East Alton's Pepsi-Cola, and Rusty's of Edwardsville and Ripley Pins of O'Fallon.

The league standings, with won-lost records and team averages:

Faistaff 32½-18½, 972; Revere Room 31-20, 966; Schlitz 28½-22½, 959; Rusty's 26-25, 954; Black Label 25-26, 969; Ripley Pins 25-26, 966; Lomans 21½-29½, 947; Pepsi-Cola 14½-36½, 939.

Venice Drops Second Tourney Tilt To Tamaroa 78-71, Koelker Hits 37

John Koelker's 37 points kept the Venice Red Devils within striking distance, but Tamaroa snuffed out the bid for a consolation berth 78-71 in the Weskin tourney at New Baden Wednesday.

The Devils dropped the opening game to Marissa 72-35 Monday in the double elimination meet.

Koelker, who carried a 10.7 average into the contest, boosted his per-game mark to 13.1, hitting on 15 of 30 fielders and seven free tosses.

The Devils, playing without two regulars, Don Devany and Larry Gray, improved to 42% with 28 goals in 66 tries.

Venice shrugged off a four-quarter full-court press, but lacked secondary punch in the final half and was outrebounded in the crucial fourth period. Tamaroa led in rebounds for the game, 40-34.

Other Venice scoring—Fields, 11; Corrie, 8; Cicio, 5; Ebersoldt, Rousseau, 4 each; and Austin, 2.

Breese topped Livingston 69-47, and Ashley won over Aviston 58-38 in first-round games Tuesday.

Devils Shoot Poorly

Poor shooting plagued the Venice Red Devils in the opening round Monday, enabling Marissa to coast to a 72-35 win.

Marissa, by contrast, got fewer shots from the field, but hit at an accurate shooting mark, dropping in 28 of 60 attempts for a 46% shooting average. They made 16 free throws.

Venice, although playing without the services of its marksman, Larry Gray, had many opportunities to score but connected on only 15 of 73 tries for a 20% mark, and tossed in only five free throws.

Rebounding Contrast

Marissa's height advantage was felt in the rebounding department, as it picked off 39 from the boards while Venice got 25.

Zahn Wells' Devils were led by Don Devany and John Koelker, who shot well below par in totaling eight points apiece.

Other Devil scoring — Shambro, (7); Ebersoldt, (4); and Cicio, Mead, Rousseau and Field, each with two points.

Venice will resume regular season play in a conference game next Tuesday when Livingston visits here for a cellar battle.

St. Elizabeth Tops St. Joseph 33-27

Lou Miller scored 23 points in a losing cause last night as St. Elizabeth bested St. Joseph in a Parochial Grade School basketball conference game played at the Central gym, 33-26.

St. Elizabeth led 15-13 at halftime. Top scorers for the winners were Paul Padroza with 13 and Doug Winfield 10. St. Elizabeth's "B" team, with Jack Brisky, Tony Grgas and Jim Gober each scoring 10, won 33-11. St. Elizabeth plays at Sacred Heart Saturday at 1:30 p.m.

Braves Bow Before Collinsville, 61-48

Collinsville high school's frosh basketball squad continued on its unbeaten way Tuesday night, 61-48, but not before Coolidge JHS ninth graders had staged a scrappy battle at the Coolidge gym.

Pressing the entire game, Collinsville led 32-27 at halftime, but Coolidge trailed by only seven points with three minutes left in the contest.

Jim Cant canned 19 points for the losers, teammate Jim Proffitt added 11 and Bohnenstehl led the visitors with 14. Denora had 12. Now 4-4, the Braves meet Roxana there tomorrow at 4 p.m.

Anderson, YMCA Spartans Victors

YMCA Teen Town romped over Phil Spence Studio 76-33. Anderson Tires clipped the Trojans 45-35 and the Spartans edged Bellemore Barber Shop 41-36 in the park Senior Teenage Basketball league last night at the Nameoki school.

Harry Neuling led YMCA with 29 points, and Teammates Dave Zezoff and Dave Sparks had 18 and 10 as Teen Town opened a big lead in the fourth period. Dave Cross had 15 for Spence.

Anderson got 15 each from both Andy Basarich and Don Dillard, plus 11 by Dave Mass. Ken Ash had 12 for the Trojans. Don St. Clair had 15 in a losing effort for Bellemore, Harold Ellis adding 11. Steve Scherras rimmed 13 and Jerry Weiss 10 for the Spartans.

and Park avenues, peering into parked cars with a flashlight.

The first theft report was received about 11 p. m. from Paul Thomas Coonrod, 2107 Fourteenth street, who said his 1958 cream and green auto had been stolen between 5 and 11 p.m. off a lot at Miss Mae's tavern, 1369 Edwardsville road. The car was found on the lot a short time later at 11:45 p. m.

William Bain, 2112 Nameoki road, told police at 12:15 a. m. that his 1957 two-tone blue auto had been stolen from the 2300 block of Lincoln avenue between 9 p.m. Tuesday and 12:15 a.m. Wednesday. Bain, who said he had left the keys in the car, notified police yesterday evening that he had located his car in the vicinity of 14th street and Edwardsville road.

Another Pay Phone Stolen

The wave of thefts of pay telephones throughout the Quad-City area continued Monday night when another was ripped off the wall and stolen from the Granite City Pool Hall, 1911 State street.

Police were told Tuesday morning that the pool hall was entered through a rear door. In addition to the telephone, a money box was taken from a juke box, which was forced open. The amount of money taken was not determined.

There was no sign of a forced entry.

Second Lock Holds

Would-be burglars were stymied by a second lock after smashing a padlock on the front door at Henry's Confectionery, 2035 Illinois avenue. The break-in attempt was discovered Wednesday morning by the proprietor, Lester Henry.

Storm Window Stolen

Theft of a 16x16-inch, aluminum triple-track storm window off the front porch at her home was reported Monday to Granite City police by Mrs. Charles Perigen, 2449 Illinois avenue.

She said the storm sash was new and was to have been installed.

2 Hubcaps Missing

Theft of two hubcaps off his 1957 car while parked at his home, 2552 Benton street, was reported Wednesday afternoon to Granite City police by Phillip Sykes.

Truck Battery Stolen

A 12-volt battery was stolen out of a 1958 truck on the lot at Hundley Pontiac Co., 1805 Madison avenue, according to a report made Wesdnesday morning to Granite City police.

FIGHT BACK

There is no disgrace in failure —the disgrace lies in not trying to get up again.

Arrest Made On Basis Of Fingerprints

Fingerprints found on broken glass in the basement of a tavern at 21st and Adams streets last July 7 resulted Tuesday in a burglary-larceny warrant being served on Harry Wallace, 33, of Stallings Park, Rural Route One, filed by Granite City Chief of Detectives James R. Lowder.

Wallace, a bartender, who denies the charges, yesterday appeared before Police Magistrate Gasparovic and requested a preliminary hearing. A date for the hearing has not yet been scheduled. Wallace's bond was set at $3500.

Detective Chief Lowder said the fingerprints were found on pieces of glass from a window in a basement door. The July 7 police report shows the tavern was entered through a basement doorway. Reported as missing from the tavern were eight quarts and several half-pints of whisky, three cigaret lighters and $96 cash.

Mrs. Lindsey's Face, Limbs Burned By Flaming Grease

Mrs. Patricia Lindsey, 24, was taken by ambulance to St. Elizabeth Hospital last night when she received second degree burns in a kitchen accident at her home at 2014 Dewey avenue.

Grease, ignited by a stove pilot light, apparently spilled over on to Mrs. Lindsey's arms and right leg, and the flaming liquid splattered on to her face.

Her husband, Glen, summoned the ambulance.

She was admitted to the hospital for treatment. Her injuries included facial burns, and burns to the right upper arm and forearm and right leg. Mrs. Lindsey's condition was described as "good" this morning. The accident occurred at about 8:30 p.m. while Mrs. Lindsey was preparing food.

Add First-Aid Courses

Plans for added first-aid courses were made at a monthly Red Cross chapter board meeting Tuesday, and Mrs. Walter Pfaff reported increased water safety course enrollments. Vice-Chairman Floyd Mitchell presided, and Mrs. Ruby Overbeck, executive secretary, reported on Junior Red Cross activities and December home service, which totaled $460 aid and 116 contacts.

Injury On The Mend

Owen S. Willtrout, 54, is recuperating at his home at 2546 Sheridan avenue of leg injuries received a fortnight ago when the truck driver fell at a service station near Joliet, Ill.

Willtrout was driving a tractor-trailer to Chicago at the time, and injured a ligament.

The led had previously been broken once, not six times, as earlier reported. At the time of the earlier injury, Willtrout sustained six fractures to the member.

Hodge Repentant

(Continued from Page 1)

as an example to deter such acts in the future.

Civic Work

Heckenkamp's argument cited Hodge's many civic accomplishments, including active participation in Community Chest and other drives, founding of a boys' form at Springfield and work with such baseball players as Stanley Musial and "Red" Schoendienst in setting up Little Leagues.

"Hodge was a wealthy man before he became state auditor, but he has stripped himself of all his assets in order to make restitution to the state," Heckenkamp said.

Five witnesses testified on behalf of Hodge and none against him, although a lengthy report filed jointly by former Attorney General William L. Guild and Sangamon county State's Attorney Raymond Terrell alleged that he had failed to cooperate in prosecution of William F. Lyon and Edward E. Epping. Full cooperation had been cited in reducing Hodge's federal sentence.

Mayor Leonard Davis told the board "Hodge's neighbors have no feeling other than being sorry for him. We in Granite City would like to have him back home."

Views Of Pastors

Rev. David B. Maxton, who became pastor of Hodge's church here after his imprisonment in August 1956, related talking with the former state official at the Menard penitentiary, concluding that "I have no doubts of his sincerity and repentance. He has shown a spirit of deep humility, and his heart, I believe, is truly Christian."

In addition to the Presbyterian minister, a Catholic priest, Rev. Raymond O'Connell of Springfield, testified. He said, "I have known him as a friend since 1943. I feel he is qualified for pardon and that he will make a good citizen."

A letter from Rev. Michael Cusello of the Sacred Heart Catholic Church here commented that "all things considered we are convinced Mr. Hodge has paid his debt to society, and we recommend him for parole." Guard Warden Ross Randolph wrote that he has been a "model prisoner."

William C. Henry, Hodge's next-door neighbor at Lake Springfield and a former Alton resident, testified, "We have unspeakable friends. I would like to see him back with his friends and relatives." Reporting that he also has been visiting Hodge, Raymond Oberlander, a credit union official, said he is extremely humble, with no anxieties."

Members of his family present but not testifying were his wife, Margaret, their son, William, his sister, Mrs. Bess Henderson and afoster brother, Ernest Hodge and a foster brother, Ernest Harding tense during the hearing. Mr. Hodge said later that the family is hopeful that the petition will be approved.

Leads Innocent To City Charge

An innocent plea was entered yesterday morning by Verl B. Pitchford of the Ridgedale Confectionery on Nameoki road to a charge of selling an indecent magazine to a minor. He was freed on $100 property bond for hearing Jan. 26 before Police Magistrate Gasparovic.

Pitchford, 50, who resides at 900 Nameoki road, appeared at the police station this morning in answer to a warrant filed by City Atty. William Beatty.

The attorney said the warrant was issued on a complaint by the Citizens for Moral Decency, whose officers said a magazine was purchased by a five-year-old boy. Beatty said the warrant was the first to be issued under the city ordinance adopted last year after conferences with CMD officials, Van Sweyear and Ray White.

STRATEGY

"A clever man never attacks an enemy until he has mapped out his own line of retreat."

Assessors Seek To Win Support For Tax Cut

A six-man township assessor committee is slated to meet some time soon with local district representatives in Springfield to gain support for two recent tax relief proposals, according to Von Dee Cruse, Granite City township assessor and member of the committee.

The committee will be armed with petitions from Madison county townships to reflect public opinion on the measures attempting to bring about elimination of household furnishings from tax assessment and making a provision for partial assessment of real estate and personal property for the retired and aged.

In local townships, more than 1000 signatures have been obtained on petitions, made available at some business places and at Cruse's office. Some are being circulated by individuals and members of a television repair group.

The petitions have won the backing of the Granite City Civic League, whose members will begin making efforts this week to obtain signatures.

Members of the league will distribute petitions to additional business places, and make some house-to-house canvass. Petitions also will be available from Dr. Leo Coleman, president of the league.

More than 400 petitions will be circulated by the league, Dr. Coleman said.

Nearly 90 Reservations For Executives' Dinner

Nearly 90 reservations have been received for next Monday evening's banquet being given by friends to honor two departing industrial executives—Thomas A. Sullivan, former manager of the local A. O. Smith Corp. plant, and Richard O. Tibbals, former works manager at American Steel Foundries.

The dinner is to start at 6 p.m. at the Rose Bowl Restaurant. John McBride, vice-president and manager of Union Starch & Refining Co., is to be toastmaster.

Mrs. Grimes Dies of Auto Crash Injuries

Mrs. Martha M. Grimes, 54, a former resident of Madison, died at a Los Angeles, Calif., hospital Jan. 7 from accident injuries suffered nine months ago, it was learned here this week.

Mrs. Grimes, a resident of Los Angeles since 1958, had never regained consciousness after her injury.

She was a resident of Madison for about 15 years, moving here from Nebo, Ill., after the death of her husband, Loda.

She is survived by two daughters, Mrs. Richard (Barbara) Smith, Genoa, O., and Mrs. William (Bonnie) Arnold of Nebo; and three grandchildren.

Funeral services were held yesterday at the Nebo Baptist Church, where she had been a member, with burial at the Nebo cemetery.

Fire Destroys Frame House On Slough Road

Fire destroyed a two-family four-room frame home at 205 Slough road at 10:45 p.m. Monday, but Venice firemen were able to prevent the blaze from spreading to adjacent houses. No injuries occurred, and no damage estimate was made.

Firemen said the home was ablaze when they arrived, and the origin was undetermined. It was necessary to lay 1400 feet of hose to fight the fire, they related.

The department put out a weed fire in a field west of the county road at 6 p.m. Tuesday.

Fines Total $10 On Two Charges

Fines in the amount of $10 were imposed yesterday on Joseph D. Pulley, 32, of 944 Niedringhaus avenue, who pleaded guilty before Police Magistrate Gasparovic to charges of property destruction and creating a disturbance filed by George Staggs for George's Grill.

Pulley was arrested Tuesday night at the restaurant, Niedringhaus avenue and Chestnut street, and the warrant was filed yesterday.

Civic League Inviting Candidates To Meeting

The Granite City Civic League will invite candidates for city and local township offices to sessions, March 8 and March 14, at the YMCA, Dr. Leo Coleman, president of the league, said today.

The group, which met last night to set the dates, will invite mayor candidates for one session and office seekers for Granite City township posts to the other meeting.

Candidates will be asked to express their views on city-township matters, and the meetings will be open to the public.

A question and answer session will be held following talks by the candidates.

PLAN FOR PTA PROGRAM

Brownie Troop 75 met Tuesday evening with Mrs. Mary Lee Krohne. The meeting opened with the pledge and promise, and the girls discussed the PTA program for March. They practiced how to set a table, and closed with "Taps." Those present were Pamela Britton, Beverly Hankin, Susan Krohne, Janice Upton, Donna Upton, Paula Elliott, Rita Sue Ernst, Margaret Wilkerson and Betty Hanfelder.

* * * *

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Gettleman, assisted by Mrs. Evelyn Bringer. The girls answered the roll call with things each would like to learn in 1961. They said the pledge, learned new songs, talked about the PTA program in March and did various experiments.

Alan Gettleman showed the girls how to make ink. The meeting closed with "Taps." Those present were Jean Funkhouser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Brenda Mistoler, Sandy Deatherage, Judith Baker, Darla Sneed, Debbie Grace and Sally Gettleman.

* * * *

PRACTICE FIRST AID

Intermediate Girl Scout Troop 31 met Tuesday with Mrs. Corrine Krehen assisted by Mrs. Florence Deatherage. Reports were given on international friendship, first-aid was practiced and the girls started working on the arts and craft field for second-class badges.

Present were Stephanie Deatherage, Dorothy Belgeri, Linda Hamilton, Karen Deatherage, Janis Mehelic, Cheryl Fisk, Virginia Glenn, Peggy Busby and Katie Kaseberg.

* * * *

Heralds of the Cedar View General Baptist Church met Monday night. The meeting was opened by Rusty Barton, followed by the children singing choruses. June Carr told a story of "The Price of Good Luck."

A flannelgraph story was given by Shirley Roberts. Refreshments were served by Marilyn Durborow to Debra Honnoll, Rosie Montgomery, Randy Montgomery, Monica Pithers, Johnny Pithers, Dennis Tarrance, Debbie Tarrance, Mike Bayes, Patty Bayes, Bobby Parks, David Parks and a visitor, Danny Montgomery.

Den Four of Pack 23 met Monday evening with Mrs. Evelyn Bringer, assisted by Mrs. Ruth Norton. David Dayton led the pledge, and the boys practiced a play for the pack meeting. They worked word puzzles, and each boy told what he got for Christmas. Boys present were Larry Harvey, Dennis Bringer, Herb Williams, David Dayton, Michael Norton, Edward Van Scoyk, Dennis Morris and Scottie Rushing and a guest, Bobby Lowell.

* * * *

Den One of Cub Pack Six met Monday evening with Mrs. Laverne Rapp, assisted by Mrs. Leona Clark. The boys said the pledge and promise and worked on the theme of the month, South America. They started making maps of the different countries, and talked about roller skating rules and learning a new song for the pack meeting. Present were Robert Clark, Dennis Cline, Larry Rapp and a guest, Gary Rapp.

* * * *

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Herb Polley and Ed Jacobs. The boys practiced first-aid. Those present were Mike Abernathy, George Willerson, Dennis Boyer, Lonnie Fisher, Charles Polley, Skip Dean, Alan Gettleman, Larry Dayton, Dale Werner, Bill Ashby, Glenn Warfield, Donald Dayton, Jon Bailey, Leslie Hall, Glenn Ashoff, Mike Krause and a new scout, William Burress.

* * * *

Brownie Troop 178 and the leader, Mrs. Velma Farrance, were given a new American flag this week by Amvet Post 187 of Pontoon Beach. It was presented to them at their meeting place, 1821 Spring avenue, by Sfc. Harold Becker of the Engineer Depot. The girls held a flag ceremony, and Sgt. Becker showed them how to fold the flag.

* * * *

Den Three of Pack 23 met Tuesday with Mrs. Betty Walker. The boys checked achievements. Each boy reported on a country of South America and showed a flag he made of one of the countries. All made and outlined a map, and refreshments were served to Leonard Walker, John Relleke, Gregory Walker, Bobby Bunselmeyer, Frankie Mehelic and Leo Sprankle.

in amounted to $3 to $4 taken from the cash register.

The boy also admitted entering Brandings' on April 27, again breaking a window and taking $3 to $4 in pennies, bridge tickets and trading stamps. The other time was last Nov. 4, when a window was broken and $2 to $3 taken by the three boys.

Last Oct. 29, the trio broke a window at Miller's Service Station, 20th and Adams streets, and stole about $4 from the cash register and a money changer containing about $4.

On Nov. 15, he tried to break into the service station at 20th and Benton street. A window was broken but entrance was not gained.

Man Is Bound Over In Venice Shooting Case

James E. Wright, 35, of 1136a Logan street, Venice, was bound over to the county grand jury yesterday on alleged assault to commit murder, being taken last night to the county jail in lieu of $5000 bond. He was fined $100 and $5 costs each on discharging firearms and carrying a .22-caliber pistol.

Charges also are to be filed against Otha Alford, 48, Eagle Park, when he is released from St. Elizabeth Hospital, Venice police said. The two are believed to have exchanged shots in the 100 block of Slough road Jan. 8. Alford being hit in the abdomen and leg and his bullet going through Wright's hat.

Bus Routes, Tax Shift Cited As Likely Problems

The trend toward public ownership can create problems from elimination of major tax sources, Venice Mayor John E. Lee said yesterday in indicating that he may oppose Bi-State Development Agency acquisition of a unified area transit system. He spoke at a Madison Rotary club luncheon.

Pointing out that the city of Venice in 1958 bought the McKinley Bridge, Dr. Lee said a study showed there would be no serious tax effect on such agencies as the Venice school district.

With up to $2,000,000 a year in taxes saved under the transit proposal, new tax sources would have to be found, he said. The plan has been recommended by an engineering firm but has not been acted upon by the board of the two-state agency.

The speaker said consideration should be given locally to the tax impact, whether local transit employees would be retained and the adequacy of future bus routes. He said he is fearful the system would be concentrated on moving people rapidly into downtown St. Louis, adversely affecting local business firms.

With Dr. Lee reporting on his attendance at Monday's inauguration of Gov. Kerner, E. A. Friedman spoke briefly on problems resulting from any further increases in the Illinois sales tax. The speaker was introduced by Frank Fijan, program chairman.

PROOF POSITIVE THAT KOZYAK'S SET THE LOW PRICES

This Copy Appeared in An Ad of a Local Chain Store on Jan. 5

BE HONEST with Yourself

Do you really believe all supermarkets sell at about the same prices? WELL, THEY DON'T! Honestly now . . . what do you want in a food store . . .

Cleanliness?
Values? Low Prices?
Convenience?
Courtesy?
Variety?

We've got them all . . . and all things being equal, why not SAVE ALL the MONEY you can in 1961? My goodness, I'm sure every one can use the savings!

Our policy since 1914 has been to give lowest prices every day of the week, which we will continue to do . . . occasionally last minute "Hot Shots", too late for newspaper ads are available, so watch our window signs for these plus values.

The copy from the local chain's ad says:

DO YOU REALLY BELIEVE ALL SUPERMARKETS SELL AT ABOUT THE SAME PRICE? WELL, THEY DON'T!

The Local Chain Store That Wrote this copy DOES NOT even Sell "HOT SHOT SPECIALS" at the Same Prices In All Its Local Quad-City Stores!

Can the local food chain which published this article in their ad of January 5th (last Thursday) publicly explain more fully to the people of the Quad-Cities what they mean by "Hot Shot Specials" . . . THAT AREN'T AVAILABLE ? ? ? . . . by 9 A. M. Thursday morning when there would still be time to insert them in their ad of that day!

Are we, and the buying public, to believe that these "Hot Shot Specials" are not available . . or must they wait to see Kozyak's ad to decide what their "Hot Shot Specials" will be . . . . specials that were supposed to be too late to advertise . . . but that Kozyak's DID ADVERTISE?

It stretches our imagination to believe that many of the items featured in our ad miraculously become available to this chain after our ad appears for the buying public at 2 P. M. Thursday. The amazing thing . . . and one that causes us to wonder a bit . . . is, could it be that these "Hot Shot Specials" would never have been offered at these prices if Kozyak's hadn't set the low, low prices in their ad first?

To some it might appear an honor to have a chain of over 20 supermarkets trying to compete with prices Kozyak's set . . . however, there is one really big factor that we feel the public should know. This chain's "Hot Shot Specials" that miraculously are the same items Kozyak's featured in their ad first . . . WERE NOT AVAILABLE IN ALL THEIR LOCAL QUAD-CITIES STORES AT THEIR "HOT SHOT SPECIAL" PRICES.

Last week they were available only in their Shopping Center store. Naturally, if they have prices competing with ours in this one store . . . while charging their customers who shop their other stores a much higher price on these "Hot Shot Specials," the chain store can easily operate at an overall profit. Is this fair, however, to the unlucky or unsuspecting customers who have paid much more for these same "items" at their other stores?

The following examples from Kozyak's ad of last week (January 5th) will give you, the buying public, an opportunity to judge the situation for yourself.

LAST WEEK'S EXAMPLES:

ITEMS FEATURED IN KOZYAK'S AD OF THURSDAY, JANUARY 5TH	LOCAL CHAIN STORE'S DOWNTOWN STORE PRICE	Local Chain Stores SHOPPING CENTER 'HOT SHOT SPECIAL' Featured on Windows and Trailer Trucks	HIGHER PRICE OF SAME ITEM IN CHAIN'S DOWN-TOWN STORES
PORK ROAST Fresh Callie Style advertised at . . . . . LB. **19c**	LB. **39c**	LB. **19c**	**+20c** lb.
Dining Car **COFFEE** LB. **49c**	LB. **70c**	LB. **47c**	**+23c** lb.
Real **ICE CREAM** half gallon **49c**	half gallon **79c**	half gallon **47c**	**+32c** half gallon
King Size **COCA-COLA** **FREE** With 59c Potato Chips and $2.50 Purchase	carton **45c**	**FREE** WITH $5.00 PURCHASE	**+45c** carton
		EXTRA COST TO DOWNTOWN SHOPPERS	**$1.20*** On Items Shown

* A pork roast will average approximately 5 lbs. or an extra cost of $1 at the chain's downtown store; ice cream carried a 3 limit or a total extra cost of 96c in the chain's downtown stores . . . total practical cost to the chain's downtown store shoppers could have been a total of $2.64 for the items indicated above.

Kozyak's noticed this policy of the local chain store for three weeks . . . . . our policy was to say nothing. When this local chain took our feature items and undersold us a penny or two, we simply lowered our prices. We noticed too, however, that while they were trying to undersell us a penny or two on some items they were charging $4.59 for a 5 lb. Morrell canned Ham that Kozyak's were making a profit on by selling the same ham for $3.99. Charging 60c more for an unadvertised item doesn't seem to be carrying out a policy of . . . " . . . to give the lowest prices every day of the week" . . . which this local chain claims.

"BE HONEST WITH YOURSELF"

If you are not a regular Kozyak shopper, give us a try - - - you will discover our specials are red hot, with everyday low prices on thousands of other items.

Daughters of Union Veterans Here Seek Civil War Relics, Papers; Plan Display

Granite City's Aunt Becky Young Tent 92 of the Daughters of Union Veterans wants to bring to light manuscripts, diaries, photographs, handbills, newspapers and other records and memorabilia contributing to the true history of the Civil War.

The patriotic organization is asking that, either through loan or gift such mementos and family heirlooms be made available to it and county and state historical museums.

The move to uncover rich new material to add to the knowledge of personalities, places, events and economic and social conditions of 1861-65, is a part of the 100th anniversary observance of the "War Between the States."

The five-year centennial commemorates alike the gallant soldiers of both the North and South. It was launched Jan. 9 and both above an' below the Mason-Dixon line, full calendars of events are upcoming marking historic occasions of the War of the Southern Secession.

Relatives Of 'Boys In Blue'

The DUV is a distaff-side society of blood relatives of the intrepid, heroic Boys in Blue who shouldered a musket at the call of Illinois' most distinguished and famed son, Abraham Lincoln. The Daughters are but one of many patriotic, civic, military and veterans groups actively participating in the anniversary observances.

Mrs. E. Irene Haug a past Illinois state DUV president who holds rank in the national patriotic organization and the Civil War Centennial Commission of Illinois, is in the forefront of the move to locate and preserve valuable Quad-Cities documents and wartime keepsakes-souvenirs.

Quad-Cityans who may have important papers, original pictorial records, diaries, old newspapers, Civil War uniforms, campaign hats, swords, officer's sashes, firearms, epaulets, flags, guidons, pennants or insignia are asked to write or telephone Mrs. Haug at 2419 Delmar avenue, telephone TRiangle 6-8069.

She hopes to be able to get together an interesting collection of such memorabalia and plans to display it in a downtown Granite City window, and make it available for exhibit elsewhere in the four-community area.

Items Sought

"We ask that either through temporary loan or outright gift, persons who have such material, and we are in particularly looking for uniforms, a Civil War nurse's uniform, old newspapers, banners, records and pictures, make them available to our group.

"If it is agreeable with the donor, some of the material will be turned over to the Madison County Historical Society. Diaries, important manuscripts and other data will be microfilmed and deposited in the archives of the Illinois State Museum at Springfield.

"We, naturally, will take careful custodianship of the Civil War accessions in our hands, and the Daughters of United Veterans feel that such a display and collection will serve well as a feature of the commemorative events of the war years."

To this end, Mrs. Haug has already contacted Quad-City clergymen, asking they make announcements of the search from their pulpits. Additionally, she has written some 200 letters to individuals and groups in the search for family heirlooms and documents aligned to and dealing with the North-South struggle.

"If there are those who have such material," she explained, "I would appreciate a telephone call. Please don't bring them to me as yet, since arrangements for their proper display and preservation must be made, and I realize such prized souvenirs are of great family and community importance and value."

Area DUV Tents

Granite City's pair of DUV "tents" has been active on many fronts in the commemoration of the Boys in Blue. They are the Aunt Becky Young and the Sarah Jane McEvers chapters here.

Mrs. Haug recalled today that the Aunt Becky Young Tent's drill team has performed at both state and national conventions, and the membership is made up of about 45.

"To be eligible," she explains, "the applicant must show proof, positive, that she is a blood-line descendant of a Civil War veteran. We demand official documents as proof, and attempt to keep our group active and growing by recruitin present day granddaughters, great - granddaughters and yes, great-great-daughters of the gallant mes of 1861-65."

The tent with which Mrs. Haug is associated was named Civil war nurse, and Mrs. is well-versed in this id nurse's history.

rn Sarah A. Graham in 1832 thica, N. Y., Aunt Becky in 1908.

e was but 17 when she en- ll in the Federal forces as a time nurse. At that time, ses "generals" were called der, but Miss Graham ght this designation unsuit- o one of her young years. So was called "Aunt Becky" by soldiers to whom she min- ed.

he married David C. Young so became Aunt Becky ng, a name memorialized by Granite City chapter. Aunt y settled at Des' Moines owing the war, and had two ghters.

Want Nurse Uniform

We would like for our Civil collection a nurse's uniform 861-65," Mrs. Haug explains. ese are particularly difficult come by, as are flags, banis, pennants and insignia of War Between the States." s a participant in the work the Civil War Centennial mission of Illinois, Mrs. ug has been able to gather ta and war information of rticular interest to Quad- tyans as well as to all Illi- sans.

"No state," she feels, "has ter reason to observe centennial of its proud record in the Civil War than does Illinois."

Records show that some 25,000 Illinois men died in the war, fighting to preserve Union. Altogether this state furnished about 265,000 soldiers to the Union army, in more than 169 regiments of infantry, cavalry, artillery and miscellaneous units.

The ratio of troops furnished to the population was 15% - - more than that of any major state in the North.

In every crucial engagement of the war, there were at least some Illinoisans on the firing line. They were there in strength at the major battles of Shilo, Murfreesboro, Vicksburg, Chickamauga and Atlanta.

Gen. William T. Sherman had 70 Illinois regiments with him ---over half his army---on his famous March to the Sea. The "Irish Brigade" and the "Yates Phalanx" were with Gen. Grant at Appomattox.

Illinois Flag First Up

Symbolically, the silk flag of the 13th Illinois infantry --- the first regiment of three-year men to volunteer from the Prairie State---was the first hoisted over the captured city of Richmond in 1865.

Further, the commission points out:

"The two greatest and brightest names on the Union side were Abraham Lincoln and Gen. U. S. Grant. The general's grandson, Gen. U. S. Grant III is general chairman of the national centennial commission.

"Illinois gave 13 major generals to the Federal side, men commissioned from this state. The roster of military figures of Illinois is a most illustrious one, including Generals Logam, Ellsworth, Grierson, Baker and many another."

Back in May, plans for the 100th anniversary commemoration were set out at a St. Louis meeting of the National Assembly of the Civil War Centennial Commission. Mrs. Haug was among representatives to patriotic societies to attend, and feels that the work she is embarked on in the collection of data is a worthwhile one, and in accordance with the general pattern set up by the national commission.

And Mrs. Haug adds:

So, call it the Civil War, the War Between the States, the War for Southern Independence, the War of the Southern Secession or the Fratricidal Conflict, there is no North or South in the centennial observances.

The whole may be summed up in tribute to the gallantry of both sides, in verse:

"Under the sod and dew,
"Awaiting the judgment day,
"Under the one the Blue,
"Under the other, the Gray."

Boy Scouts To Repeat 'Good Turn' Next Month

A yearly "good turn" by Boy Scouts to aid the handicapped will be repeated in February by the Cahokia Mound Council, it was announced this week.

During Boy Scout Week Feb. 7-13, unit leaders will receive eight bags for each scout in collecting used clothing and other articles for the Goodwill Industries. Over 20,000 such bags have been filled by the council in the past two years.

Plans call for them to be taken to homes of scouts' friends and neighbors Feb. 18 and assembled by units Feb. 25 to be transported to St. Louis.

Toastmaster Award Goes To Marvin Dean

Marvin Dean's talk on Frustration won him the toastmaster of the week award at a meeting Monday of the Granite City Toastmaster Club held at the home of Dr. Leo Coleman.

His topic was "A Batch of Soap," and dealt with obstacles persons are unable to overcome.

Toastmaster was Herman Greve. General evaluator was Dr. Claude Hiles and best critic was Earl Lee.

A total of 11 members were present.

Expanded Services Planned At Madison Bank Meeting

Expanded banking services for the public and an added share of responsibility for President John E. Lee were discussed by Board Chairman James R. Alcott Tuesday at the annual meeting of the First National Bank in Madison.

Alcott disclosed that he is leaving this week on an extended vacation in Arizona due to poor health.

Recalling that he and Dr. Lee's late father arranged for organization of the bank on July 27, 1934, Alcott said he is happy to leave bank transactions in the hands of the younger Dr. Lee, whom he described as able, conscientious and trustworthy.

Expressing confidence in the bank's future, Alcott announcement of plans for opening enlarged bank facilities in July already has sparked accelerated growth of the business.

"I feel it is something the bank owes the citizens of the community for their courtesy and consideration of our space handicap in the present building," the chairman commented. "The success we have had has been due to the fine people with whom we have transacted business.

Optimistic View

"During the past year, our business increased, our total deposits increased and our government bonds increased. The bank is in a very healthy, happy condition, and we can look to the future with optimism."

Those attending the annual meeting represented 734 shares in person and an additional 237½ by proxy. Stockholders commented favorably on financial reports for 1960 and discussed new facilities, conveniences and services resulting from moving to a newly-constructed building at 600 Madison avenue this summer. Groundbreaking at the site preceded the meeting.

The 45x110-foot structure will include major increases in lobby area, the number of teller windows and safety deposit boxes, with an improved view of all facilities. There will be two entrances to the bank and two drive-in windows on the north side of the building, as well as parking on the east and north sides.

The teller, accounting and officers' areas will have greater separation than at the present building, 401 Madison avenue, where the financial institution was founded nearly 27 years ago.

Kerner To Speak To B&PW Dinner April 19

Gov. Otto Kerner is scheduled to be guest speaker here April 19 for the annual public affairs dinner meeting of the Quad-Cities Business & Professional Women's Club, it was announced today by Alderwoman Mrs. Gabrielle Betinec, chairman of the public affairs committee.

The meeting is to begin at 6:30 p. m. on April 19, but the location has yet to be selected. Mrs. Betinec said invitations will be sent to local political leaders, organizations, clubs, and industries and to B&PW Clubs in District 9, including those in Alton, Collinsville, Edwardsville, Jerseyville and East St. Louis.

The new quarters are scheduled for completion on the anniversary date.

Re-elect Officers

Officers re-elected at the yearly meeting, besides Alcott and Dr. Lee, were Louis B. Reilly, executive vice-president; Francis J. Lahey, first vice-president; Max Blumenfeld, second vice-president; and Andre N. Gitcho, cashier.

Directors re-elected were Alcott, Dr. Lee, Reilly, Lahey, Max and Walter Blumenfeld, Frank J. Fijan and James Frangoulis.

Tuberculin Tests To Be Read At Schools Friday

Only slightly more than an hour was required to administer about 2000 tuberculin tests at Granite City high school and the Coolidge and Prather junior high schools Tuesday morning. The skin tests are to be read tomorrow morning, indicating which pupils should be scheduled for x-rays at the school next month.

Physicians participating in the program this week are Drs. Robert Hill, Leo Grzesk, F. B. Dionedia, Irvin Wiesman, B. B. Berman, E. H. Theis, D. G. Cariss, Jacob Cohen, Felicia Koch, Otto and Maria Bauer, Melvin Freedman, David Friedman, W. W. Bowers and Alan Skirball.

At each of the schools, the medical staff was aided by school nurses, other local nurses and parents.

The Mantoux tests are given annually to ninth through twelfth graders in the school district.

Downtown Accident

Involved in a collision Monday at 20th street and Niedringhaus avenue were autos driven east on 20th street by Harold F. Perryman, 33, of 2440 East 24th street, and Emmett G. Hurry, 53, of 2641 East 24th street. Police said there was damage to the rear of the Perryman auto and to the front of Hurry's auto. No injuries were reported.

Major Airport Near Here Could Aid Travel Safety, Efficiency

Although Lambert Field has had a good safety record, it is widely felt that a second major airport is going to be needed to keep pace with growth of the metropolitan area, and that it should be located in Illinois. The Bi-State Development Agency has been recommended as the agency to carry this out, since it represents the entire area that would be served.

The belief that a new major site should be located on this side of the river appears to be borne out by safety considerations, currently being aired as a result of the disastrous collision of two passenger airplanes over New York.

The investigations and studies are not a case of "locking the barn door" too late, since new airports are being planned in many parts of the country, near-collisions have been occurring with rising rapidity and use of the airways is expected to show continued growth.

A proposal currently before the New York Port Authority, which operates the New York City airports, is wider spacing of major bases to place more distance between the paths of aircraft. This would have particular merit, since air space is becoming increasingly filled, and overlapping with other airports should be avoided at all costs. Another argument against locating new landing areas within heavy population centers is that the hazards of complicated "stacking" of planes preparing to land should not be extended to people on the ground.

Expansion of air travel will present an ever-changing challenge to safety and efficiency. A major airport at one of the potential sites in this vicinity would aid greatly in meeting this challenge.

Proposed Fountain, Location Would Be Appropriate For War Memorial

The colorfully illuminated water fountain proposed by the Granite City War Memorial Committee is worthy of serious consideration by the Granite City park board. The fountain and its location, already known as Memorial Park, would serve as a beautiful and appropriate symbol of local residents' wartime sacrifices.

The fountain would be placed near the site of the temporary memorial honor roll signboard erected after world war II, and would be just across the street from St. Elizabeth Hospital, where a new wing has been opened. It may be recalled that enlarged hospital facilities and a park pavilion were among the projects under consideration in past years as suitable memorials. Both now are a reality, the park district having installed a roof over the recreation area atop the Wilson Park swimming pool building during the 1950s.

With the war receding into history, a specific commemorative structure still not established and only limited funds available, the fountain proposal has much to recommend it.

Madison Bank Construction Will Be A Progressive Step

Construction of a new building to house the First National Bank in Madison this year will make possible an expansion of the bank's services, helping to solidify the Madison business district as an important factor in the Quad-City economic picture.

While moving two blocks, the financial institution will remain in the heart of the Madison commercial area and will be in a position to spark increased activity along the Madison avenue "white way." The modernization and enlargement of facilities should prove valuable to the bank and the entire community.

Nature May Save Doomed Illinois Plants, Trees

Oak and American elm trees are faced with extinction from blight, and several other ornamental plants and trees here may meet the same fate in the next two decades. This bleak outlook is reported by the Illinois State Museum, which says researchers have made little progress in controlling such diseases as those that doom the two familiar types of trees.

A hopeful note is that while some trees and plants are expected to pass into oblivion, other new species and forms probably will take their place. New plants are brought into this state every year, many of them by vehicles and trains accidentally transporting seeds across the continent. New races or hybrids sometimes develop on their own, and plant specialists may be able to produce new forestry races from individual trees that show resistance to blight.

While there is no way of knowing when a wave of plant disease will strike, and controls have been slow to develop, Mother Nature herself may provide the solution both in this section and the nation. She has always provided amply in the past, although exact forms of vegetation have shown changes with the passing years.

WSCS Speaker Says Russians Want Peace

Mrs. Edwin Grant of Wood River appeared before the Woman's Society of Christian Service of Niedringhaus Memorial Methodist Church Tuesday evening to discuss a tour of Russia which she made with her husband and representatives of 33 other churches last summer.

Slides were shown to illustrate the talk and the speaker stressed that all were impressed with the great friendliness of the Russian people and their desire for peace. The speaker was introduced by Mrs. Elizabeth Briggs, program chairman.

Held in the educational building, the meeting opened with prayer by Mrs. Pearl Keen. Mrs. Minnie Frohardt, president, was in charge and Mrs. Leonora Hawks reported on the success of the Holiday Fair held at the church in December.

Members were advised of the annual World Day of Prayer service to be held Feb. 17 when the speaker will be Dr. O. Walter Wagner. His topic will be "The Prayer Life Of Albert Sweitzer." The executive board of the church will meet Jan. 24 in the Ladies Lounge.

After the meeting the members and guests were seated for refreshments at tables decorated in keeping with the month of their birth. They were served by Mesdames Delores Vogeler, Beverly Barnett, Elsie Henley, Helen Simpkins, Kathrina Treadwell, Ida Cariss, Mabel Hulsey, Lucy Weaver, Maxine Burd, Regina Jones and Bertha Voss of the Naomi Circle.

Pythian Sisters Past Chiefs Group Meets

Medical Director Named For TB Sanatorium

Dr. Luis Ventura of Dublin, Ga., has been named medical director of the Madison County Tuberculosis Sanatorium by the board of trustees, according to an announcement made this week at Edwardsville.

Dr. Ventura, a native of the Dominican Republic, is now a physician on the medical staff at the Veterans Hospital in the Georgia community. He will assume his duties at the county sanatorium on Feb. 1.

The new director is 34, married and the father of two small children. He has been in this country since 1953 and has engaged in medical practice in several states. He has had experience in treatment of tuberculosis. He is expected to move to Edwardsville with his family late this month and take up residence in quarters provided on the sanatorium grounds.

No other applications for the position were received by the sanitorium board, the president, George Schneider jr., said.

The medical directorship has been vacant since the resignation last fall of Dr. George H. Vernon, who later was fatally injured in an automobile accident at Glen Ellyn, Ill., where he had located with his family upon accepting the chairmanship of the DuPage County Tuberculosis program.

Since Dr. Vernon's resignation, Don Hinnen, assistant superintendent of the county sanatorium, has served as superintendent-business manager. Dr. Walter Broker, medical director of Pleasant Sanatorium in St. Clair county, has been serving as acting medical director of the Madison county sanatorium by arrangement with the board of trustees.

MISS MARY BLACKBURN (seated), nationally-recognized speech instructor at Granite City high school, with several of the more recently acquired trophies won by the department. Holding the plaques, left to right, are speech students Linda Toburen, Elaine Tarasovich and Gary Grammer. The trophy beside Miss Blackburn was presented during a National Forensic meet in California in 1939 and is for 10 years of outstanding accomplishments.

Pride In Her Students' Success Brightest Of GCHS Speech Director's Many Trophies

If she were of a mind to don such headgear, Miss Mary Blackburn could wear a full-feathered Comanche war bonnet.

Over the past 42 years of her teaching career here, Miss Blackburn and her Granite City high school speech, dramatics and debate students have won a galaxy of forensic "feathers in their caps" individually and for the school—sufficient to ornament an Indian headpiece.

Such forensic "plumage" as the chairman of the speech faculty is entitled to wear is worn quite modestly and, be sure, without ostentation.

Miss Blackburn is proud of the achievements of her alumni, and the regional, state and national trophies won. She is appreciative and grateful of the opportunities of today and the long yesteryears since, she will tell, they have afforded her the privilege of working with a "lot of wonderful children." And she extends her gratitude to the parents for "having such wonderful children."

Widely Known

Truly, Miss Blackburn is an honored, respected figure not only in the community which she has served for more than two score years, but in the state and national forensic arena, where she is likewise widely known.

The veteran educator believes that the presidential campaign "confrontations" of Sen. John F. Kennedy and Vice Pres. Richard M. Nixon accomplished a positive forensic good.

The televised series went a long way to stimulate and give impetus to the revival of interest in the art of debating and, skirting the question of who won, Miss Blackburn argues that they gave a real boost to forensics on a national level.

Miss Blackburn can tick off a veritable garland of laurels won by her students.

National, State Awards

Included in this truly impressive listing are three national Freedom Foundation awards; seven Illinois state championships won at speech tournaments; a veritable brace of kudos won in the high-echelon Augustana forensic contests; National Forensic League prize-winnings; and individual trophies and cash awards galore, along with ribbons and certificates gained in the forensic field.

And not insignificant in her pantheon of prizes is the Tau Kappa Alpha national forensic award, won during a national speech meet at California in 1939. This was presented for sustained excellence in accomplishments in the allied forensic arts over a 10-year span.

Miss Blackburn has reached out on a wide arc in a dedicated career to serve not only the home folks, but to carry the "torch," as it were, among colleagues of learned societies and forensic organizations.

She has twice served as president of the Illinois Association of Teachers of Speech; was vice-president of the Central-States Association of Speech Teachers; a second vice-president and currently a trustee of the National Association of Teachers of Speech—the organization which held its mid-winter sessions at St. Louis during the holidays.

Heads Masque And Gavel

In addition, she is in her second year as national president of Masque and Gavel.

This secondary school forensic organization, of which she has long been a guiding talent, has for its motto "speech for use." And the Granite City chapter, has long been an active, leading one in the midwest.

Annual Trips

In fact, GCHS Masque and Gavel's dramatic and forensic talents have spilled over to reach out to New Orleans, Detroit, Washington, D. C., Evanston, Ill., New York and St. Louis.

Seniors of the club have made far-distant trips to metropolitan and collegiate centers, under Miss Blackburn's design, better to acquaint them with the ways and facets of, the world outside the classrooms.

And, at each of the cities visited, Masque and Gavel presented skits, sketches and readings before high school audiences. Funds for the excursions are raised, partially, through annual homecoming sponsorship and other events.

Students' Attainments

Miss Blackburn's students have ranged far and risen high in the practice of law, and are counted in the legitimate theater, in television and on radio airlanes. One is a successful dancer. Others have won niches for themselves in other phases of the world of the dramatic arts.

To her credit, likewise, are literally scores of secondary and collegiate educators and coaches who got their early dramatic, public speaking, debate and oratorical training under Miss Blackburn's knowledgeable tutelage. She likes to keep track of them all—and there are many.

A reunion of all would overcrowd a large auditorium.

For the record, here are some of Miss Blackburn's onetime students --- her alumni --- who have gone forward to success, keyed by the training and instruction she imparted. She is considered a "teacher" in the best and classic meaning of the term, and if there are omissions from the listing, it is clearly unintentional as far as "teacher" is concerned.

Harold Stark, among GCHS alumni of her courses, is an announcer over Chicago's Station WBBM. Miss Julia Pitchford, now Mrs. Julie Sherwin, went on to study at Northwestern University, appeared with a number of "name" bands and on TV, and is co-operator with her husband of a California radio station.

Actors, Attorneys

Clyde Wadlow, an actor with the Players, Inc., of Washington, D. C., a national repertory company, is to tour Europe with the troupe. Phil Angeloff, who continued his training at Northwestern University, has been a stage, TV and night club entertainer and last summer appeared in stock with the Julia Harris Theater in Colorado.

Louis Popovsky, whose professional name is Lew Christopher, has toured the United States and aboard as a dancer and is a choreographer. Joe Brennan is a free-lance radio and television personality in St. Louis.

Richard King under-studied Peter Ustinov on the Broadway stage, and is Ustinov's assistant stage manager. Herbert Isaacs is an Indianapolis radio announcer.

On the home front, Atty. Burton Bernard won a $4000 national American Legion oratorical contest award while a student here, and Atty. Randall Robertson is counted as among her outstanding forensic students.

Freedom Foundation

And that's not all, in any wise. Miss Blackburn carries forward her list of "distinguished" alumni with the names of four who shared in the Freedom Foundation awards—Miss Nancy Townsend, Miss Nancy Wilson, Miss June Enos and Byron Baker, all of whom are to be credited with the Foundation's triple crown won by GCHS.

Her four national award winners in the National Forensic League were Harold Stark, Howard Wilson, Miss Pitchford and Karl Visser.

Miss Blackburn holds in highest regard the Augustana debate tourney, and among her prizewinners in competition on an inter-state level are Joseph Barylske, Lucian Dressel, Jerry Hamlett and Roger Gruen.

Miss Blackburn's acquaintanceship among colleagues of her academic profession is a wide one. Likewise is her background and training. She holds a degree from Washington University, studied in private schools in St. Louis and in the east, and for five summer sessions taught forensics at Northwestern University.

Many of her students have gone on to Northwestern, and she feels that the Evanston university has an outstanding dramatics and speaking curriculum.

Visit To Shakespeare Country

The teacher has traveled widely in furtherance of knowledge and information of her particular craft, including a trip to England to the very heart and core of the Shakespeare country, Stratford-on-Avon, no less, and is an avid theatergoer.

Miss Blackburn lives at Ferguson, Mo., but commutes from school to home. Her's is truly a busy schedule, since she has the burden of supervising and directing the courses in speech and children's theater in the junior high schools, and the senior high panel of dramatics, debating, public speaking and interpretation.

And sandwiched in between all, she has for years directed the several annual play productions of the school. Nowadays, she has assistance in this arm of her efforts.

And all the while she carries forward her career-long championship of the art, artisanship and cultural benefits of the human voice, expressed in readings, in dramatics, public speaking, oratory, debate and articulation.

Canine Pals Join Venice Mail Carrer On Route

An occupational hazard of postal letter carriers in general are snarling, snapping and biting dogs.

They appear to relish a diet of carriers' pants legs and trouser seats, and oftimes take along a bit of flesh.

Venice Mailman Ralph J. Cooper, 34, does not have this problem. "I'm not troubled by dogs at all," he says, and perhaps the reason is right in his foot tracks.

Daily he is followed on his rounds by two canine companions, "Midge," a German shepherd female, and "Snowball," a smaller male of decidedly mixed ancestry, stemming from terrierdom.

They wag and tag along as Cooper makes his rounds of the business and residential areas of Venice. They meet up with the carrier at the corner of Broadway and Third street, and their only reward is the mailman's companionship and an occasional tid-bit.

Earlier, there was a third member of the trio, who used to follow along. He would come to the Broadway post office and stand outside somewhat impatiently waiting for Cooper to finish sorting and packaging the mail.

This one would set up a weird, long, penetrating howl if he felt Cooper was over-long at his task, and then follow gleefully in the carrier's tracks, However, "Pepsi" was killed—a truly sad occasion for all concerned—being struck by a car.

Cooper's canine pals disregard neighborhood dogs and they in turn, don't curl back their lips at the mailman's approach.

It works out well and in four years of service, Cooper has been bitten but once.

"Midge' and 'Snowball' give the dogs no trouble and I get no trouble from the neighborhood dogs," Cooper explains.

"I don't think they are guarding me, but it may be that it works out that way. I like to have them along."

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF
Lubricates itself—You'll normally go 20,000 miles between chassis lubrications (which cost only about $4.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a sealed-in lubrication system.
Cleans its own oil—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers . . . trapping more dirt than any other type of filter made.
Adjusts its own brakes—New Truck Size brakes adjust themselves automatically.
Guards its own muffler—Ford mufflers are double-wrapped and aluminized to last three times as long as ordinary mufflers.
Protects ... own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.
Takes care of its own finish—Just wash and clean Ford's new Diamond Lustre Finish to make it glisten like new. It never needs waxing.

GC Kiwanis Club Installs New Slate Of Officers

The Granite City Kiwanis Club installed new officers at a meeting Monday at the Elks Club. Installing officer was Marvin Barnes, a member, who is past Lt. Governor of the local Kiwanis division.

Installed were Harold Karandjeff, president; William Herman, first vice-president; Eugene Lichliter, second vice-president; and Roy Feder, treasurer. Eugene Frey was elected treasurer, but was unable to attend the ceremonies. He will be installed at a later meeting.

Outgoing president is Francis Judd, who was presented a plaque for outstanding leadership in 1960. Presentation was made by Merlin Hiscott.

New board of directors were installed and include Roy Graham, Leonard Oram, Allen Jesse, Joseph Acquaviva and Homer Johnson.

Chairman of 15 standing committees were also appointed.

In a brief business session, the newly-installed president announced that Granite City Kiwanians will be host to the 13-club division Spring Fellowship meeting.

HAROLD KARANDJEFF, newly-installed president of the Granite City Kiwanis Club.

State Loan Officers Re-Elected Tuesday

All officers of the State Loan & Savings Association board of directors were re-elected Tuesday afternoon during the annual meeting of the board held at the loan firm's new offices, Niedringhaus and Edison avenues.

Dr. A. H. Rode, local dentist, was renamed president; and other officers re-elected were Douglas Little, executive vice-president, A. C. Stoever, vice-president, and Robert E. Backs, secretary. Other members of the board are Carl A. Ranft, Walter Sons and Dr. J. C. Byers jr.

The association's progress during 1960 was noted during the directors' meeting, including the move into new and larger quarters in the former First Granite City National Bank building. Offices on the second floor are being rented and the tenants now include the law firms of Maurice Dailey and also Burton Bernard and associates and the Tri-City Regional Port Authority.

Little said the review of the year showed a growth in assets, but the percentage rate was not as great as in previous years.

Illinois Power Wins Home Service Award

Illinois Power Co. has again won the coveted Laura McCall award presented annually by McCall's magazine in a competition open to all electric utilities in the nation, it was announced today.

The trophy was presented at a dinner at the Edgewater Beach Hotel in Chicago by Mrs. Elizabeth Sweeney Herbert of McCall's magazine, and was accepted for Illinois Power Co. by Mrs. Celeste Sullivan, home service director of the company.

The award is the highest in the field of home service activity, and is given each year in recognition of the utility program which contributes most to the advancement of better living through the use of modern electric appliances.

Illinois Power won the award this year by the development and promotion of the "Golden Award Kitchen." This program was designed to encourage architects, builders and kitchen planners to bring present kitchens and those in newly built homes up to new high standards of efficiency through better arrangement and better lighting. The program is also designed to provide homemakers with fresh ideas and information about improving kitchen layout and equipment.

This is the second time in the last three years that Illinois Power Co. has won this award. In 1958 the award was presented to Illinois Power in recognition of an invitation-type demonstration of appliances on dealers' sales floors.

Jehovah's Witnesses Will Participate In Convention

The Granite City congregation of Jehovah's Witnesses will participate in a three-day convention to be held in East St. Louis Jan. 20-22, according to an announcement today by the presiding minister, Francis H. Clanton, 2036a Cleveland blvd. The ministry school and the Sunday Bible study for the week will be transferred to the Hughes junior high school, 1100 East Broadway, and the entire congregation will attend there next week.

The purpose of the assembly is for advanced training of ministers and Bible study conductors. Twenty congregations, comprising Illinois Circuit Six of Jehovah's Witnesses, will hold three-day fellowship meetings for more than 1000 members. Circuit Minister Victor Mansavage is in charge of arrangements.

The program provides for a baptism service on Saturday and for a series of talks, discussions and demonstrations designed to instruct the delegates in conducting Bible educational work and in every day application of Christian principles. The Ministry School, at 7:15 p. m. Friday, Jan. 20, will be conducted by District Supervisor Angelo C. Manera jr. of Brooklyn, N. Y., and will serve as a model improvement of the local school, held each Thursday at 7:30 p.m. at Kingdom Hall, 1126 Madison avenue.

Elmer C. Zeugin, 2610 Denver street, an assistant minister in the local congregation, has been assigned as chairman of a public meeting scheduled for 3 p. m. Sunday, Jan. 22, at the East St. Louis gathering. Mr. Manera, a special minister from the Watchtower Bible and Tract Society, will give the public lecture, "Is God Interested In The Affairs of Men?"

4 Vandalism Reports, Porch Chair Set Afire

Vandalism, ranging from setting a front porch chair ablaze to placing garbage cans across a street, was reported Monday to Granite City police.

The first report was received from Agnes Erbe, 2039 State street, who said vandals had pushed over two brick and concrete pillars and a six-foot section of iron fencing at her home.

Earl Simpson, 2330 West 23rd street, reported at 7:55 p. m. that vandals had set fire to a chair on the front porch at his home. He said the boys were 10 to 12 years of age.

At 8:45 p. m., police were notified of obstacles in the street along West 22nd street between Bryan and Ohio avenues. Upon arriving at the scene, the officers found "a neat row of garbage cans" extending across the street. The cans were set aside, and it was learned there was much confusion the next day among persons who discovered their containers had been taken.

Charles Williams, 2226 Bryan avenue, told police the side mirror was broken off his 1959 auto while it was parked at his home Monday night.

Students Plan March of Dimes 'Road Block'

Members of the Granite City high school student council will take part in the "New March of Dimes" drive Jan. 21, according to Mrs. Roberta Lambert, campaign director.

Teenagers will conduct a road block, in which solicitations will be made at Bellemore Village and several intersections in Granite City, Mrs. Lambert said.

Further plans, concerning exact location of the road blocks will be released later, she said. The project will be in cooperation with the local police department.

Door Windows Smashed

Faye Gibson, 18, of 2430 (rear) Bryan avenue, reported to Granite City police Tuesday evening that as she was ironing clothing at her home vandals hurled a large cinder through the rear door, smashing two panes of glass in the storm door and the larger glass in the kitchen door. She was not injured, police said.

3,989,000 Venice Bridge Crossings Recorded In 1960

The city of Venice is edging closer to its goal of a 4,000,000-yearly traffic rate on the city-owned McKinley Bridge.

The 1959-60 fiscal year ended Sept. 30 saw 3,971,979 crossings, and a tabulation for the calendar year just closed reveals 3,989,257. The 17,000 gain in yearly rate since the fiscal year-end reflects a 4000 gain in October over October 1959, a 17,000 rise in November and a 4000 drop in December.

Biggest monthly traffic total in 1960 was the 350,559 listing in May, all-time high since the city acquired the Mississippi River span Nov. 21, 1958. Lowest for 1960 was the 303,905 figure for February.

A breakdown for the past year follows: January 1960, 322,398 crossings and 10,399 daily average; February, 305,905 and 10,548; March, 318,645 and 10,278; April, 337,212 and 11,240; May, 350,559 and 11,308; June, 335,949 and 11,198; July, 331,411 and 10,690; August, 346,302 and 11,171; September, 332,605 and 11,086; October, 343,092 and 11,067; November, 329,277 and 10,975; and December 1960, 335,902 and 10,835 average.

The latest one-month tally of 335,902 consists of 79,442 in the week of Dec. 1-7, 78,025 in Dec. 8-14, 76,844 in Dec. 15-21, 67,512 in Dec. 22-28 and 34,079 in Dec. 29-31.

Highest one-week count has been 82,194 cars, trucks and buses, listed for May 1-7.

UF Final: $293,488; Bests The '59 Effort

Tri-City Area United Fund executive committeemen, following a year-end audit of the ledgers, this week announced total receipts and subscriptions of last fall's UF fund drive were $293,488.

This represents an "over the top" 102.8% of the goal of $285,461 set for the fund-raising campaign. The grand total is a figure $1100 in excess of the gifts and subscriptions of the campaign of the prior year.

Present at the executive committee meet, held at the UF headquarters, were:

President, Thomas A. Sullivan, James L. Hamilton jr., vice-president and chairman of the '60 fall campaign; Gilbert M. Sykes, Rev. Calvin Mareum, Edward F. Roiske and John C. Solenberger, the latter executive director of the UF organization.

Solenberger noted today that the new, $293,488 grand total was the first announced figure that stood above and beyond the campaign receipts of the fall of 1959.

The annual meeting of the United Fund Organization, to which all contributors and subscribers are invited to attend, will be held at 7:30 p.m. Thursday, Feb. 2, at the YMCA.

The executive director urged all givers to take part in this annual get-together, at which officers will be elected. President Sullivan is moving to Milwaukee.

At that time, a slate of nominees for the board of directors will be presented by a committee headed by Harold F. Karandjeff. This will contain nominations for directors. New directors will in turn meet and name officers.

Solenberger said the executive committee gave its approval to a Girl Scouts' request for a "Cookie sale" to be conducted in March of this year.

A report on receipts and disbursements of UF revenues will be made by Solenberger at the Feb. 2 meeting.

Friedman's Whacks Teachers In Classic League Play, 80-43

Friedman's replaced the Teachers as one of three teams tied for second place in the Granite City park district Classic Basketball league standings Monday night by trimming the former occupants of that spot at Prather junior high school. The final score was 80-43.

Clarence Hand had a big night for the winners, pumping through 23 points as Friedman's broke the ballgame wide open in the second half by outscoring the Teachers by 30 points.

Hand had plenty of help. Don Williams and Charles Johannigmeier each netted 16 points and Norm Grote 10. Jerry Ethridge led the Teachers with 14, and Morris Hemphill scored 10.

Church League Action

Assembly Strengthens Hold On First Place; Sacred Heart Moves Into 2nd

First Assembly of God took a big step toward repeating as the champion in the Granite City park district's Church Basketball league Monday night on the Coolidge junior high school court when it turned back challenger St. Bartholomew's, 59-46.

The win boosted Assembly's record to 4-0, while St. Bartholomew's suffered its first loss in three league games.

Sacred Heart flattened Nameoki Methodist 61-20 and thereby moved into the runner-up position vacated by St. Bartholomew's. The Hearts now have a 3-1 record.

St. Joseph rolled past Trinity Tabernacle 53-42 and climbed into a third-place tie with St. Bartholomew's as all six teams in the loop saw action Monday.

The Church league titlist had some anxious moments in the first half before pulling steadily away in the final two periods. St. Bartholomew's trailed 17-12 after one period, but came back to tie the score at halftime.

Good Balance

First Assembly continued to get good scoring balance. Top pointmaker was Paul Hollis with 15. Jerry Wintjen scored 13, Bud Gosnell 12 and John Draper 11. Harold Tankaley led all scorers in the game with 18 counters for St. Bartholomew's.

St. Joseph's led Trinity all the way, although the losers closed the gap by outscoring their opponents by eight points in the final eight minutes.

Leading scorer for St. Joseph's was Mercie Mendoza with 20. Teammate Ten Antoff followed with 11, and Carl Main and Tom Nance each bucketed 10 for Trinity Tabernacle.

Paul Mosby, the league's leading scorer, popped in 18 points to pace Sacred Heart in its lopsided victory over Nameoki Methodist. Dale Pashea scored 17 and Bob Wessels 10. Carl Peters had 10 for the losers.

Nameoki Methodist set an unenviable league record in the game by going absolutely scoreless in the third quarter.

The Church league standings:

Team	W	L	TP	OP
1st Assembly	4	0	297	166
Sacred Heart	3	1	262	177
St. Barth'mew's	2	1	174	116

Venice Graders Win 2nd Straight

The Venice grade cagers jumped off to an early lead and held it throughout the contest to down St. Elizabeth's school 32-24 at the Sacred Heart gymnasium Monday night.

The win was the second in a row for Roger Davis' Little Devils, and put their won and lost mark at 5-6.

Pacesetters were Richard Essington, team scoring leader, who had nine points, and Donald Coggins and Patrick Austin, each of whom had eight counters.

James Moran and Douglas Winfield led St. Elizabeth's with nine and eight points.

The Devils' next game will be at Jerseyville next Monday in conference action.

$3.34 Per Capita Fire Loss During 1960 In Venice

Fire losses in Venice during 1960 totaled $20,705, a per capita figure of $3.34, an annual report by Fire Chief Michael E. Leatherman discloses.

The damage and destruction amounted to less than 9% of the $257,210 value of property involved in fires during the year.

A breakdown shows losses of $1,060 from the $187,410 value of buildings, other than railroad and industrial property; and losses of $8645 to contents, which had a total estimated worth of $69,800.

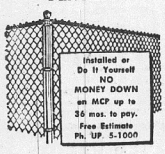

Of 108 calls received during the year, 41 involved residential buildings, the chief reported. Another 24 were summons to extinguish burning grass or rubbish.

The remaining 43 alarms consisted of nine involving autos or trucks; nine, flues and stoves; seven, sheds and garages; six industries; one, railroad property; one, school; one, false; six, out-of-town fire calls; and three, inhalator truck calls.

Participation by members of the volunteer fire company averaged 11.4 at each call, Leatherman related. More firemen were available at night than in the da time, but less than five men responded on only four occasions.

At It 65 Years

At 85, W. F. 'Bill' Kopp Is Dean of Quad-City Barbers

As a barber, William F. "Bill" Kopp can stake out two rich, unchallengeable claims.

Both in age and in the years of the practice of his hirsute artistry, Mr. Kopp outdistances all of the half-hundred other Quad-City area barbers.

At 85, "Bill" Kopp has been barbering for 65 years, and isn't ready to lay aside his razor, shears and comb.

The dean of Quad-City barbers started out in St. Louis in the days of the 10-cent shave and 15 cent haircut; moved on to Baldwin, Ill., and since 1915 has been adding to his championship service record at Granite City.

On Illinois Ave. 45 Years

His shop at 2024 Illinois avenue is the second on that West Granite City thoroughfare in 45 years. One of his major regrets is the fire that swept through the interior of his shop some years ago destroyed treasured memorabilia of the tonsorial art.

These were the ornate, personal shaving mugs of his regular customers, each individually embellished and emblazoned with either the owner's name, nickname or symbol of his trade, profession or special interests.

Mr. Kopp had a double rack of 50 of them, but the blaze destroyed the lot.

In an earlier day when men went to the barber shop to get shaved instead of doing it themselves, the barbers' dean recalled, customers took pride in the decorations of their personal shaving mugs. Used only on the owner, the mugs oftimes had gold leaf letterings, some were hand painted, while yet others were embroidered with ornate sketches.

He regards them as veritable museum pieces, and many collections have been made of the old-fashioned shaving mugs.

Under his physician's direction, Mr. Kopp is taking it a little easier nowadays. He opens his shop weekdays from 1 to 5 p.m., and gets there earlier on Saturdays, around 10 a.m. Because he has been told not to walk it, he takes a cab from his home at 2318 Delmar avenue to his shop, and back again.

Kopp doesn't go in for crew-cut or "flat-top" haircutting, because his arthritis makes it difficult for him to raise his arms to the height required for such work. As for "duck-tail" jobs, well, he has a word for them, but allows that if the customer wants one, he can get it at his establishment.

Veteran Union Member

He's a veteran member of the Barbers Local 483, and his are the union prices today.

"I do very little shaving these days," he explains. "What with safety and electric razors, few men come in for shaves. In the early days, it was the regular practice of most men to get shaved at least two or three times weekly by the barber, and the shop was a social center for the exchange of news, wise cracks and goodnatured ribbing."

These, he feels, were the veritable heydays of the tonsorial practice.

The month of April 1915 marked two important milestones in Mr. Kopp's career. On April 11th of that year, he celebrated his birthday and on the following day opened his new shop in Granite City. He will be 86 next April.

A widower who wife died 11 years ago, Mr. Kopp has a son, Eugene and a daughter, Mrs. Berniece Baker, both of Granite City, along with a granddaughter.

Belying his years in activity, spryness, good sight, interests and keenness of memory, Mr. Kopp has a treasurehouse of anecdotes of personalities and events going back many years.

"I worked first in a St. Louis neighborhood shop, but gave it up largely because they made me work on Sundays, and I didn't like it," he reminisenced today.

Worked To 1 A.M. Saturday

"Then I opened my shop in Baldwin, a rural community, and can still remember having to work until 11, midnight and up to 1 a.m. on Saturday nights. Farmers came in and kept us busy until a very late hour, but the barber shop was there a kind of community gathering place, and one learned all the news and yes, gossip of the community."

WILLIAM F. KOPP

Mr. Kopp today counts his "regulars" by the score, and says he makes a point of keeping open every afternoon he can make it for their accommodation and to keep his practiced hand in the trade.

Mr. Kopp's Illinois avenue shop is large enough for a three chair operation, and for many years he had a second barber. But now he's the sole barber. During a 10-weeks' illness he tried to get someone to operate it, but was unsuccessful, so is manning the place himself—and apparently that's all to the good as far as keeping alive his interests and contacts are concerned.

The dean of barber's will tell that he feels somewhat sorry for the family man with five or six youngsters when it comes time to get all-around hair cuts. Makes a deep cut in the purse, especially of a working man.

Recalls Invasion By Women

Kopp's recollections goes back, too, to the early days when women first invaded the tonsorial precincts, long the exclusive preserves of the male.

"There were many women who came to my shop for hair bobs when that mode of hairdress was in vogue, but the beauty shops have taken this trade away from the barbers of today," he remarks.

The changing mode of hairdress, the upsoaring prices and the decline of the demand for the barber's razor have all come under his 65-year preview. Today, there's about 25 haircuts to one shave at the W. F. Kopp Barber Shop. Uses a straight-edge razor himself.

Kopp's shop, by the way, is the 9th precinct polling place for fourth ward voters in municipal elections. Used to be a polling place for county and state elections, but the dean of barber's discontinued that because he says he was somewhat "underpaid" for the trouble and the day he had to take off from his trade.

Pvt. Charles Svoboda Transferred To Korea

Army Pvt. Charles R. Svoboda jr., 23, whose parents live at 1918 Elizabeth street, Madison, has arrived in Korea and is now serving with Headquarters Company of the 45th Engineer Group.

Svoboda, a supply clerk, was last stationed at Fort Leonard Wood, Mo., where he received basic and advanced individual training.

He worked for the Granite City Steel Co. before entering the Army in July 1960. He is a 1955 graduate of Madison high school and a former student at Southern Illinois University.

Sunday School Classes For Mentally Retarded

Hope Lutheran Church, on Wabash avenue, in cooperation with the Granite City Association for the Mentally Retarded, will conduct Sunday school classes for mentally retarded beginning Sunday, Jan. 15 at 1:30 p. m., according to an announcement by Rev. Alfred Buls, pastor.

The classes will be open to any mentally retarded child who wishes to attend. Neither the parents nor the child are placed under any obligation to the church. Special classes of this nature are a necessity Rev. Buls stated, as each child must be considered within the framework of their personal abilities. However, even with limited capacities such special classes can contribute much to the life of the children according to Rev. Buls.

nyone wishing information may contact Hope Lutheran Church office, GL. 1-7568, or William Coyle, chairman of the Granite City Association for the Mentally Retarded, at TR. 6-8538.

HOLSINGER AGENCY GL. 2-3225, opening new offices at Nameoki Road and Madison Avenue, about February 1.

Application Filed For Gas Pipeline Permit

The Illinois Division of Waterways today announced receipt of an application for a construction permit from the Mississippi River Transmission Corp., St. Louis, to cross all streams with an 18-inch gas pipeline beginning at a point approximately two miles north of Granite City. It is to extend easterly through four counties, Madison, Clinton, Marion and to a point five miles east of Xenia in Clay county.

Plans for the project may be seen at the Division of Waterways, 160 North LaSalle street, Chicago, or 201 West Monroe street, Springfield.

Wind, snow or freezing rain can pack a terrific punch. It doesn't happen often, but once in a while these forces of nature smash trees across a power line . . . temporarily interrupting your electric service. When that happens, local Illinois Power crews—helped out by crews from other Illinois Power communities if needed—go all out to restore your electricity as fast as humanly possible. Their willingness to work 'round the clock in any weather is a big reason for the dependability of electricity from ILLINOIS POWER COMPANY

PEO Sisterhood Meets At Home Of Mrs. Halyama

Chapter HT of the P.E.O. Sisterhood was entertained Monday afternoon in the home of Mrs. G. E. Halyama, 1919 Cleveland blvd.

A dessert luncheon at 2 o'clock preceded the business session conducted by Mrs. Mary Miller, president, and the program in charge of Mrs. Myra Jackson.

Rev. James R. Craddock, pastor of Central Christian Church, entertained the group with slides taken in Europe last summer while attending the World Convention of Christian Churches, and the Passion Play at Oberammergau, as well as other places in Germany, Ireland, Belgium and France.

The musical portion of the program was furnished by an organist, Mrs. Frances Balding, who played several popular numbers.

Eighteen members were present. Mrs. Miller will hold a business meeting of the club in her home, 1202 Twenty-seventh street, Monday, Jan. 23, at 7:30 p. m., and the Founders' Day meeting will take place Jan. 27 at 9:30 a. m.

HOLSINGER AGENCY GL. 2-3325, opening new offices at Nameoki Road and Madison Avenue, about February 1.

Jr. Service Club Board Plans 'Sample Fair'

A board meeting of the Granite City Junior Service Club was held Monday evening in the home of Mrs. Eva Burns, 2900 Fortune drive, with Mrs. Jean Ann Vrenick, president, in charge.

A report was made of a meeting Saturday afternoon at St. Elizabeth Hospital during which plans were discussed for organizing volunteer workers of the various service clubs.

Also under discussion was the "sample fair" which the club will hold early in the spring at the YMCA and the evision of by-laws.

Reports of several committees were given, including the distribution of baskets and clothing to the needy at Christmas. Twelve officers attended Monday's meeting.

The general meeting of the club will be held next Monday at St. John United Church of Christ on Nameoki road.

SORORITY HOLDS BUSINESS MEETING

Eta Chapter of the Phi Tau Omega Sorority held a business meeting Monday evening at the Elk's Club with Mrs. June Meyer presiding in the absence of the president and vice-president.

A number of projects for the coming months were discussed and tentative plans were made. Fifteen attended and the prize for the evening went to Mrs. Mary Evalyne Yencho.

FORMER RESIDENT ANNOUNCES ENGAGEMENT

Mr. and Mrs. Harrison M. Eaton of Sullivan, Mo., formerly of Granite City, are announcing the engagement of their daughter, Miss Mary Eleanor Eaton, to Sam Farrell, a son of Mr. and Mrs. J. L. Farrell of Joplin, Mo.

The bride-elect, a granddaughter of the late Mr. and Mrs. T. O. Eaton and niece of Mr. and Mrs. Frank Murphy, Mr. and Mrs. Freemont Arbeiter and Mr. and Mrs. Floyd Eaton, all of Granite City, was graduated from the Sullivan high school in 1958 and attended William Wood College in Fulton. She is now a junior in the University of Missouri School of Nursing. Her father formerly taught in the Granite City school system.

Mr. Farrell was graduated from the Joplin high school and after attending Kansas State College was graduated from the University of Missouri. He was a member of Phi Beta Pi medical fraternity.

The wedding of the couple is tentatively set for June 4 in Sullivan.

MADISON STUDENT PRESIDENT OF FRATERNITY

Miss Rosemarie Bogleff, a senior, 821 Madison avenue, is serving as president of the Illinois State Normal University chapter of Sigma Tau Delta on the campus in Normal.

Eleven students were recently initiated into active membership in the fraternity, a national honorary. To be eligible for membership a student must have at least a "B" average in all English courses, must have chosen English as a major or minor field of study and have completed 12 hours of English courses. A work of creative writing that is approved by active members, also must be submitted.

COTERIE WILL MEET AT PRESBYTERIAN CHURCH

Mrs. W. G. Cooley, president of the Ladies Coterie, will entertain the club Thursday, Jan. 19, at 1 p. m. at First United Presbyterian Church, 22nd street and Delmar avenue.

The hostess will preside, following a dessert luncheon, and the program will be in charge of Mrs. Henry George.

FORMER RESIDENT HERE

Mrs. Robert Winninger of Chicago, formerly of this city, is a guest this week in the home of Mr. and Mrs. Anthony Michel, 2618 Cleveland blvd.

Enters Hospital

Mrs. Rosemary Prater, 4812 Warnock avenue, entered St. Elizabeth Hospital Monday to undergo treatment for a neck injury sustained in an automobile accident recently. Mrs. Prater is a checker for the Kroger store.

Past Matrons Club Of Chapter 650 Elects Officers

The annual election of officers of the Past Matrons Club of Granite Chapter 650, Order of Eastern Star, was held Monday evening in connection with a monthly meeting in the home of Mrs. Hannah Kleinschmidt, 2251a Edison avenue.

Those named were Mrs. Kleinschmidt, president; Mrs. Blanche Leuchter, vice-president; and Mrs. Mary Ellen Lewis, secretary-treasurer.

Plans were completed for the annual dinner party of the past matrons and past patrons of the chapter on Jan. 21; and the remainder of the evening was spent at games, the prizes going to Mrs. Esther Magness, Mrs. Garnet Kelso and Mrs. Florence Spohr, worthy matron of the chapter, who was a guest.

Refreshments were served to 13, and arrangements were made to meet in February with Mrs. Lewis, 3314 Johnson road.

Mrs. Koesterer Hostess For Club

Mrs. Sophie Koesterer, 2335 Lincoln avenue, was hostess to her birthday club Monday evening.

Those holding winning scores were Mrs. Oswald Becherer, Mrs. Oscar Loyet, Mrs. Frank Schwarzkopf and Mrs. Jack Pritchard.

Others present to whom the hostess served refreshments were Mrs. Jack Brisky, Mrs. Joe Nekola, Mrs. Gus Lucido, Mrs. Fred Moser, Mrs. Arthur Lombardi, Mrs. Charles Rimarchik and a guest, Mrs. Hubert Hennrich.

The next meeting will be with Mrs. Schwarzkopf, 1633 Lindell blvd., Feb. 13.

BUBBLEMASTERS SEAT OFFICERS

The Bubblemasters Scuba diving club met Sunday afternoon at the local YMCA for its first meeting of the new year. Al Mueller jr. opened the meeting and immediately seated Ron Homyer, the new president, in office.

Other officers seated were Lewis Brown, vice-president; Mrs. Valerie Evenden, secretary; Don Ballard, treasurer; and Mueller, training officer. Mrs. Louise Brown the club historian and Brown is also airmaster.

Five new members were accepted into the club after having successfully completed a scuba diving training course recently conducted by the club. They were Lewis E. Sabin, Mrs. Dixie Griffin, Mrs. Ann Sabin, Gene Seals of St. Jacob, Ill., and George Theodorakis of Hazelwood, Mo.

A meeting was held in St. Louis Tuesday for the purpose of forming a St. Louis Area Council, with the club represented by Homyer, Mueller, Brown, Bill Brannam, Cliff Blankenship and Rich Griffin.

On Wednesday evening, a refresher course was held at the "Y", artificial respiration and first-aid being practiced. This was for all members of the club.

The club has decided to hold the refresher course every Wednesday following the regular second Sunday meeting.

Mueller is to investigate the possibilities of going on a cruise to the Bahamas this summer. He is to have a report at the next meeting. Various ways mentioned included working cruises and cruises in conjunction with Marine biologists.

Homyer reported that the aircompressor is now at the home of Brown, 816 Twenty-fourth street, and also appointed a by-laws committee, with Bill Brannam chairman and Blankenship, Brown and Arthur Evenden members.

On Sunday, Feb. 12, a mortgage burning party will be held at the home of Homyer, 2605 Pontoon rd. This is to be a pot-luck dinner at 7 p. m., and it will be combined into a regular meeting and the party. Mrs. Louise Brown and Mrs. Evenden are to assist Mrs. Homyer in the arrangements for the evening.

Members attending besides the officers and newly-accepted members included Mrs. Brown, Griffin, Brannam, Blankenship and Newt Kennedy.

ATTEND FUNERAL

Airman and Mrs. Gene Poole returned Tuesday to Pineville, La., where Poole is stationed. They were here on a ten-day emergency leave to attend the funeral of his aunt, Mrs. Margaret Moran.

Gone, dear daughter, gone forever;
How we miss your smiling face,
But our loss is not remember
None on earth can take your place.
A happy home we once enjoyed.
How sweet the memory still.
But death has left a loneliness
The world can never fill.
Sadly missed by
MOTHER, DAD AND
BROTHERS. 1:12

In memory of FRANK GARDEN, who died Jan. 13, 1959:
Not dead to us who loved him,
Not lost but gone before.
Sadly missed by
WIFE, LENA. 1:12

In loving memory of HENRY GUTGERSELL, who passed away Jan. 11, 1958:
The one we loved so dear was taken
Only God knows how we miss you.
This home is so empty and lonely since God called him away
This was God's will, we hope and pray he rests in peace.
Sadly missed by WIFE,
CHILDREN AND
GRANDCHILDREN 1:12

Explorers Elect King As Cabinet Chairman

Robert King of Nameoki PTA Explorer Post 46 was elected as chairman of the Uniwah district explorer cabinet for 1961 during a cabinet meeting Monday evening at Nameoki grade school.

Robert Ennis, also of Post 46, was chosen as vice-chairman and Bill Eaker of Concordia Lutheran Post Six was elected secretary. Glen Hommert directed the meeting until King's selection. Twenty-four explorer delegates and eight adult advisors attended.

Each post reported on recent activities. Future plans include a canoe trip in Wisconsin by Post Six, cave mapping at Camp Sunnen, Potosi, Mo., by Post 46, a trip to the Great Lakes Naval Training Center by Ship 1008 of Kirkpatrick Homes and a visit to Scott Air Force Base by Post 94 of the Granite City Steel Co.

"Roundup" pins for increasing membership by over 50% were awarded to Post 13 of St. Elizabeth Catholic Church and Ship 109. A program plaque for the year went to Post 94. The presentations were by District Commissioner Bernard Miller jr.

Harry Wood sr. of Frohardt PTA Post 22 showed slides and gave a commentary on the unit's recent visit to the Scott base. Refreshments were served by the host unit, led by Advisor Frank Arbeiter.

Autos Collide

A collision of two autos at Jill and Rodger avenues was reported Tuesday to Granite City police. No injuries were listed. Involved were autos driven by John A. Farrell, 31, of 3172 Jill avenue, who was traveling west on Jill avenue, and Jerry Duncan 3237 Rodger avenue, who was going south on Rodger avenue and making a right turn.

Hospital Patient

Mrs. Ruby Tripp, 2653 Lincoln avenue, entered the Jewish Hospital, St. Louis, Monday to undergo treatment.

Urges Foreign Aid Loans, Not Grants

The United States should make loans instead of grants to "primitive" nations, including those that recently gained their independence, and should not interfere with domestic affairs of those nations by attaching "strings" to the aid given them, Dr. Heskel M. Haddad, eye specialist and native of Baghdad, told the Granite City Rotary Club at its weekly luncheon meeting Tuesday at the YMCA.

Dr. Haddad, representing the St. Louis Council on World Affairs in his talk before the Rotary Club, also stressed the need for education and technical assistance to backward nations.

"There are some things these nations, due to customs, want to do differently than we tell them —and they should be allowed to do so, as long as the long-range purpose is served," he said.

Dr. Haddad expressed the opinion that the United States could accomplish more against encroaching communism in these countr , particularly the newly independent nations of Africa, by working with them rather than occupying the role of the donor with controlled purse strings.

"It also would be better to have these nations request loans, instead of voluntarily offering them assistance."

It was his belief that Russia does a good propaganda job with its displays of "power," while this nation, though the most powerful, makes little impression with its emphasis on the humanities.

Dr. Haddad, who was introduced by program chairman Herbert Schermer, came to the United States in 1953 to continue his medical studies and is now engaged in research work at Washington University.

Crash On State St.

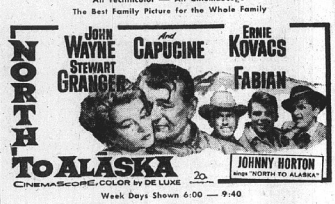

Involved in an accident Tuesday afternoon in the 1900 block of State street were autos driven south by Horace H. Brown, 53, of Webster Groves, Mo., who stopped to make a left turn onto a parking lot, and Charles L. Hastings, 18, of 2635 East 24th street. No injuries were reported.
